THE 1941 COPPER KETTLE

YEARBOOK PUBLISHED BY THE SENIOR
CLASS OF DOUGLAS HIGH SCHOOL

DOUGLAS, ARIZONA

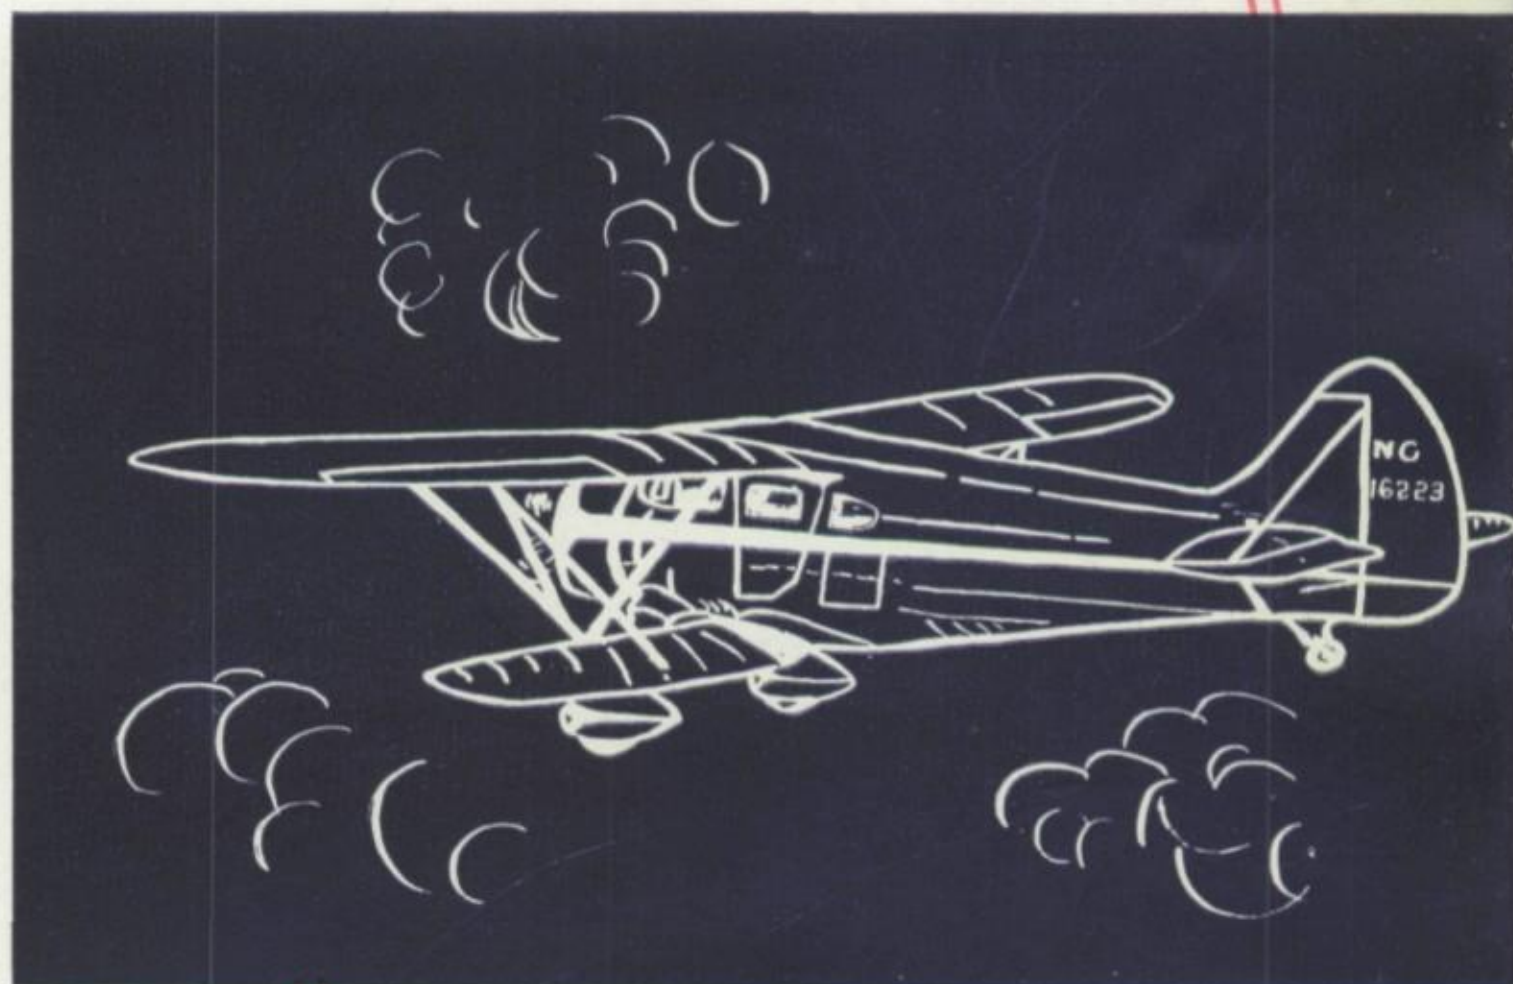

EDITOR'S NOTE

To keep this, our country, free and American, to protect and defend it, those great silver-tipped birds, symbolic of our liberty, soar through the blue skies of our land. To young America, aviation stands as an inspiration, a goal to be reached. We have tried to catch this patriotic spirit so prevalent today; to picture and preserve a memorable year in your life. So "contact", young America, "take off" and "nose" your ship towards a panorama of this year's memories of your alma mater, D. H. S.

ORDER OF BOOKS

As this panorama passes before you, a complete story of D. H. S. life during 1940 and '41 will unfold. The first division of the book is The School consisting of campus scenes, faculty and students. The next division is Personalities parading our King and Queen, Attendants, Runners-up, and outstanding students. Division three is Athletics including all activities of a competitive nature in the school. Next is a division of Outstanding Bulldogs, then Snapshots, Organizations, and finally the Book's end.

DEDICATION

To our friend and advisor, successfully directing the Seniors through their best and final year, we "dip our wings" in salute. His tireless efforts, advice and work have won him the right to be liked, respected and admired by all, especially the Seniors who now must realize and appreciate the efforts that he has expended in their behalf. It is to Arthur Prescott, the guider of the Seniorship of youth, sending it off on its solo flight, that we dedicate this, our yearbook.

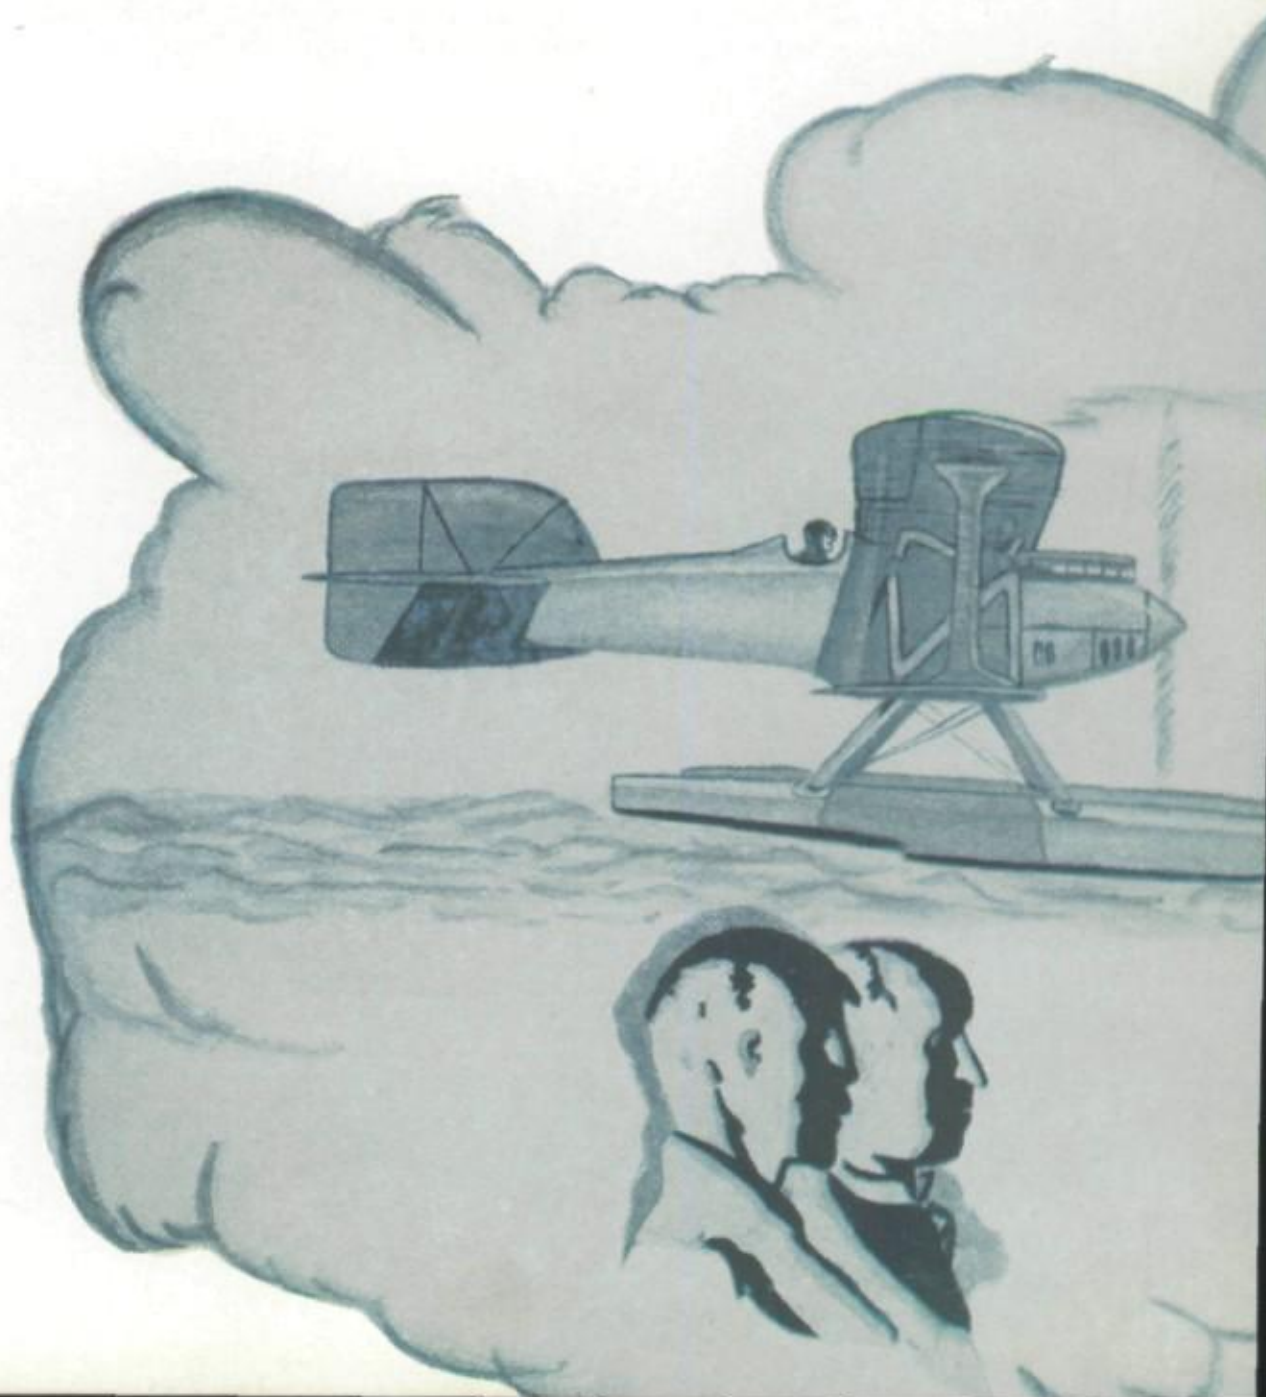

Mr. A. C. Prescott

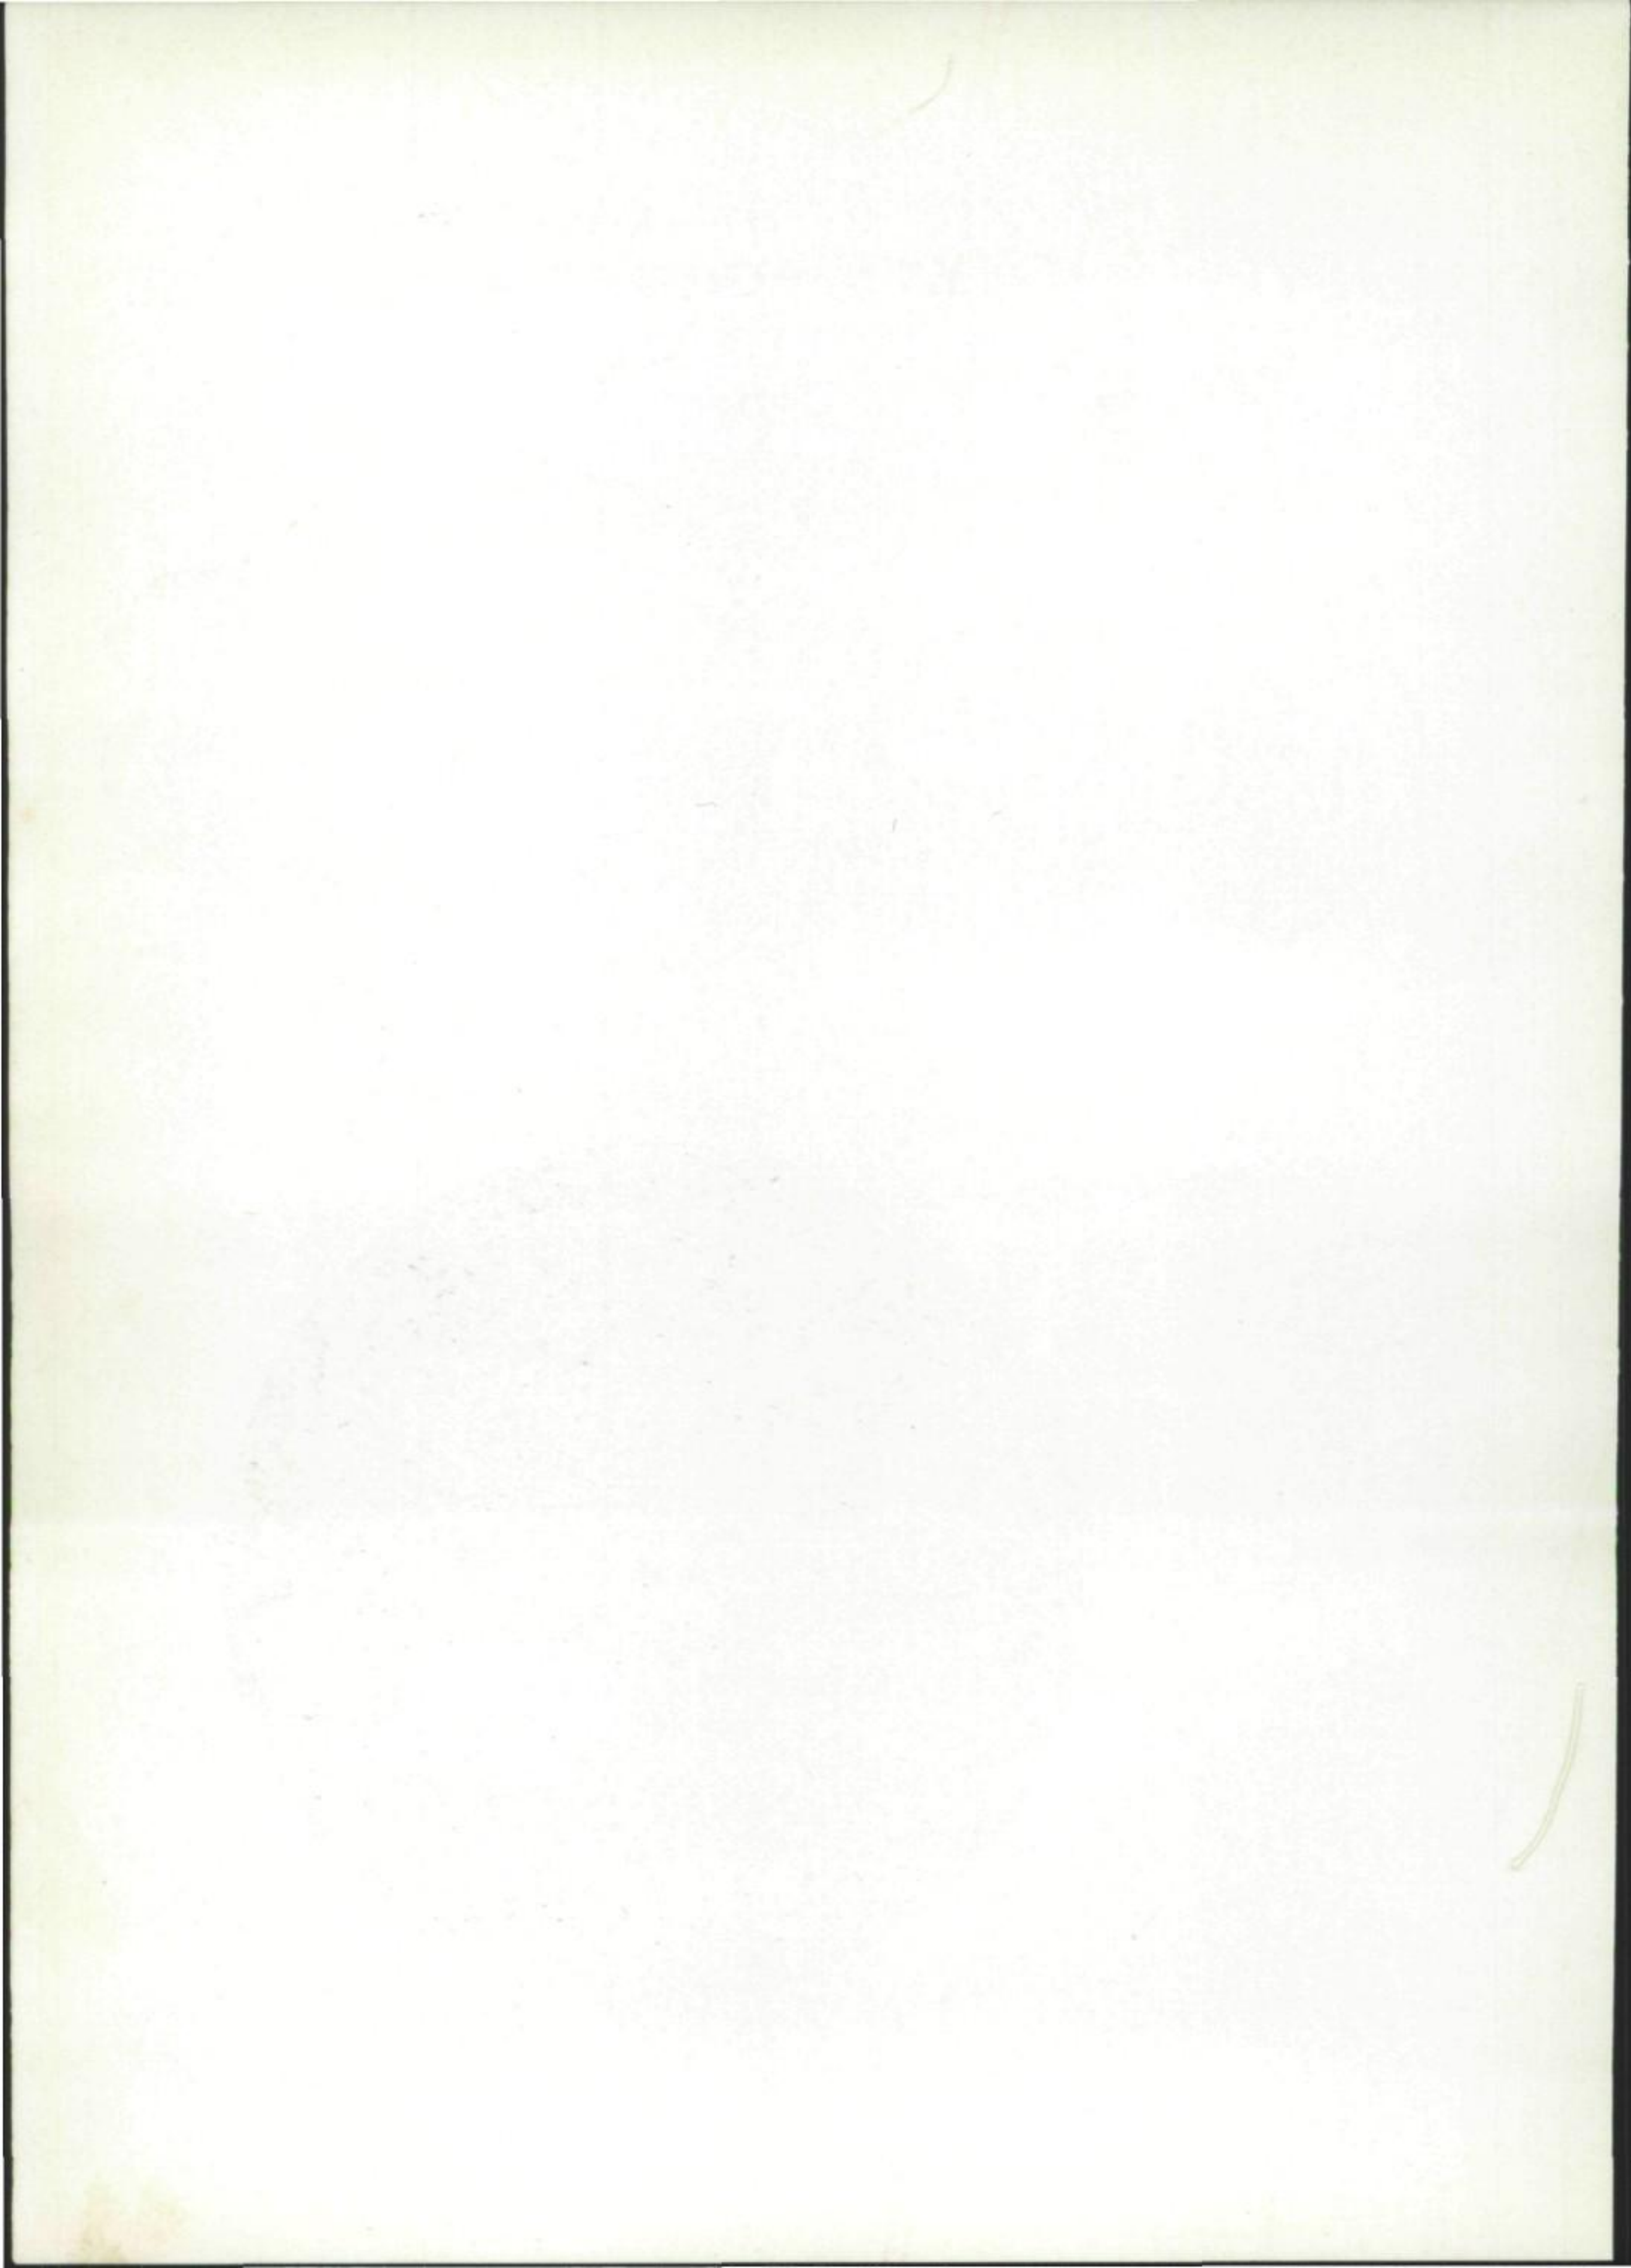

Oceanic flights have become an important part in the field of aviation and have improved the flight conditions in good or bad weather. In 1927 Lindbergh made the first nonstop flight from the United States to Europe and became a hero of aviation. Two weeks later, Chamberlain and Levine flew a nonstop flight from New York to Germany.

By these daring flights Oceanic Clippers have started to blaze the trail from the United States to England in a day. These flights are being run on a schedule of three a week. Since the first successful flight, many have been made and are being made continuously.

The Book Desk-Students "Setting" Book Marks

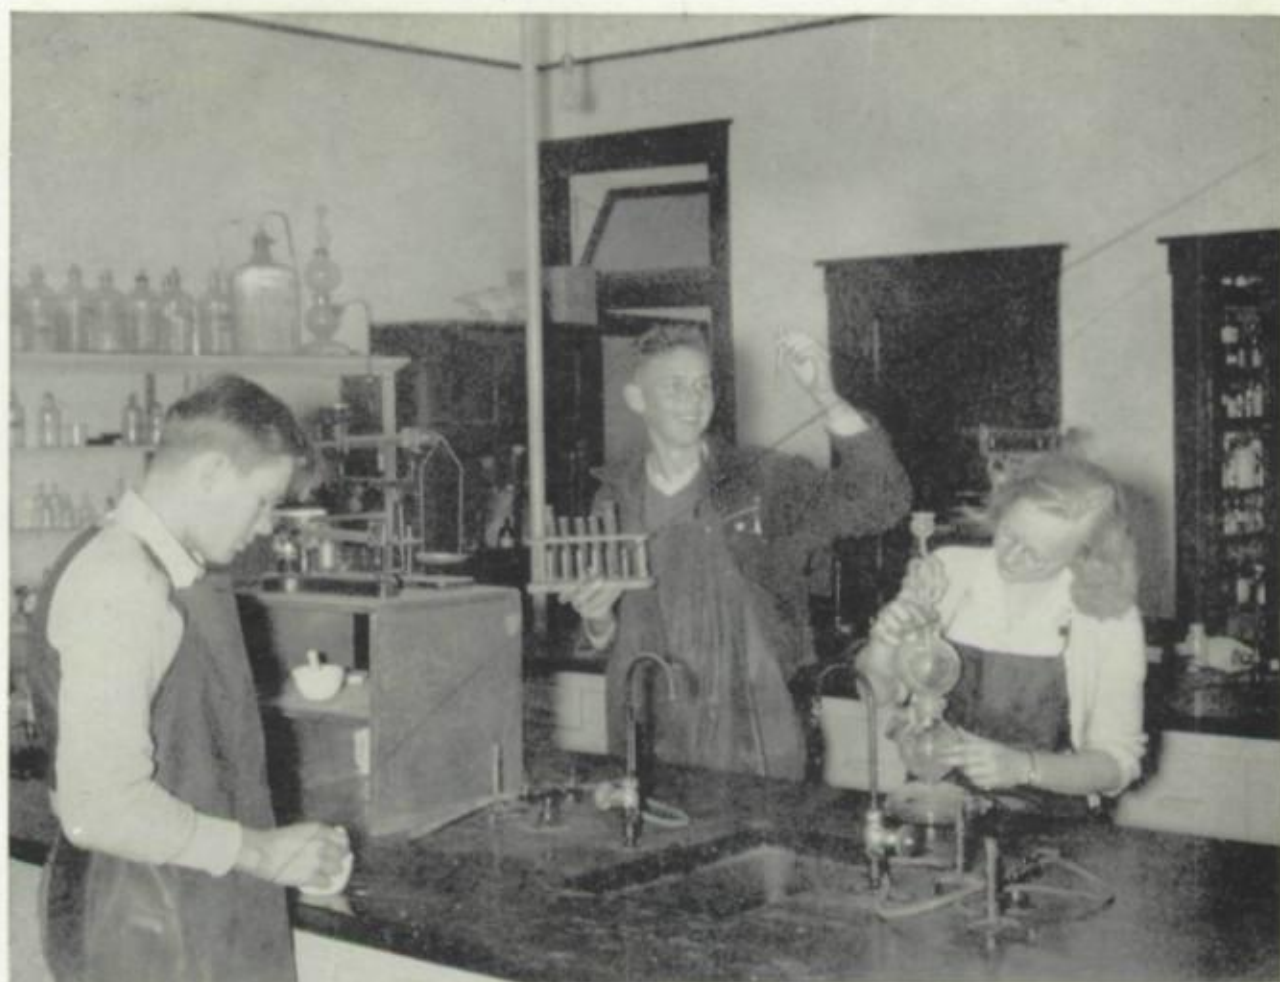

• Miss Welcome pleasantly issues a book while others patiently await their turn. It's a busy place.

• A view in the print shop where both girls and boys stay diligently at work learning the "art of printing."

• Students concocting a few mixtures in the Chemistry Lab. Hopeful chemists— no explosions—all's well.

Future Scientists, Smithys and Machinists . .

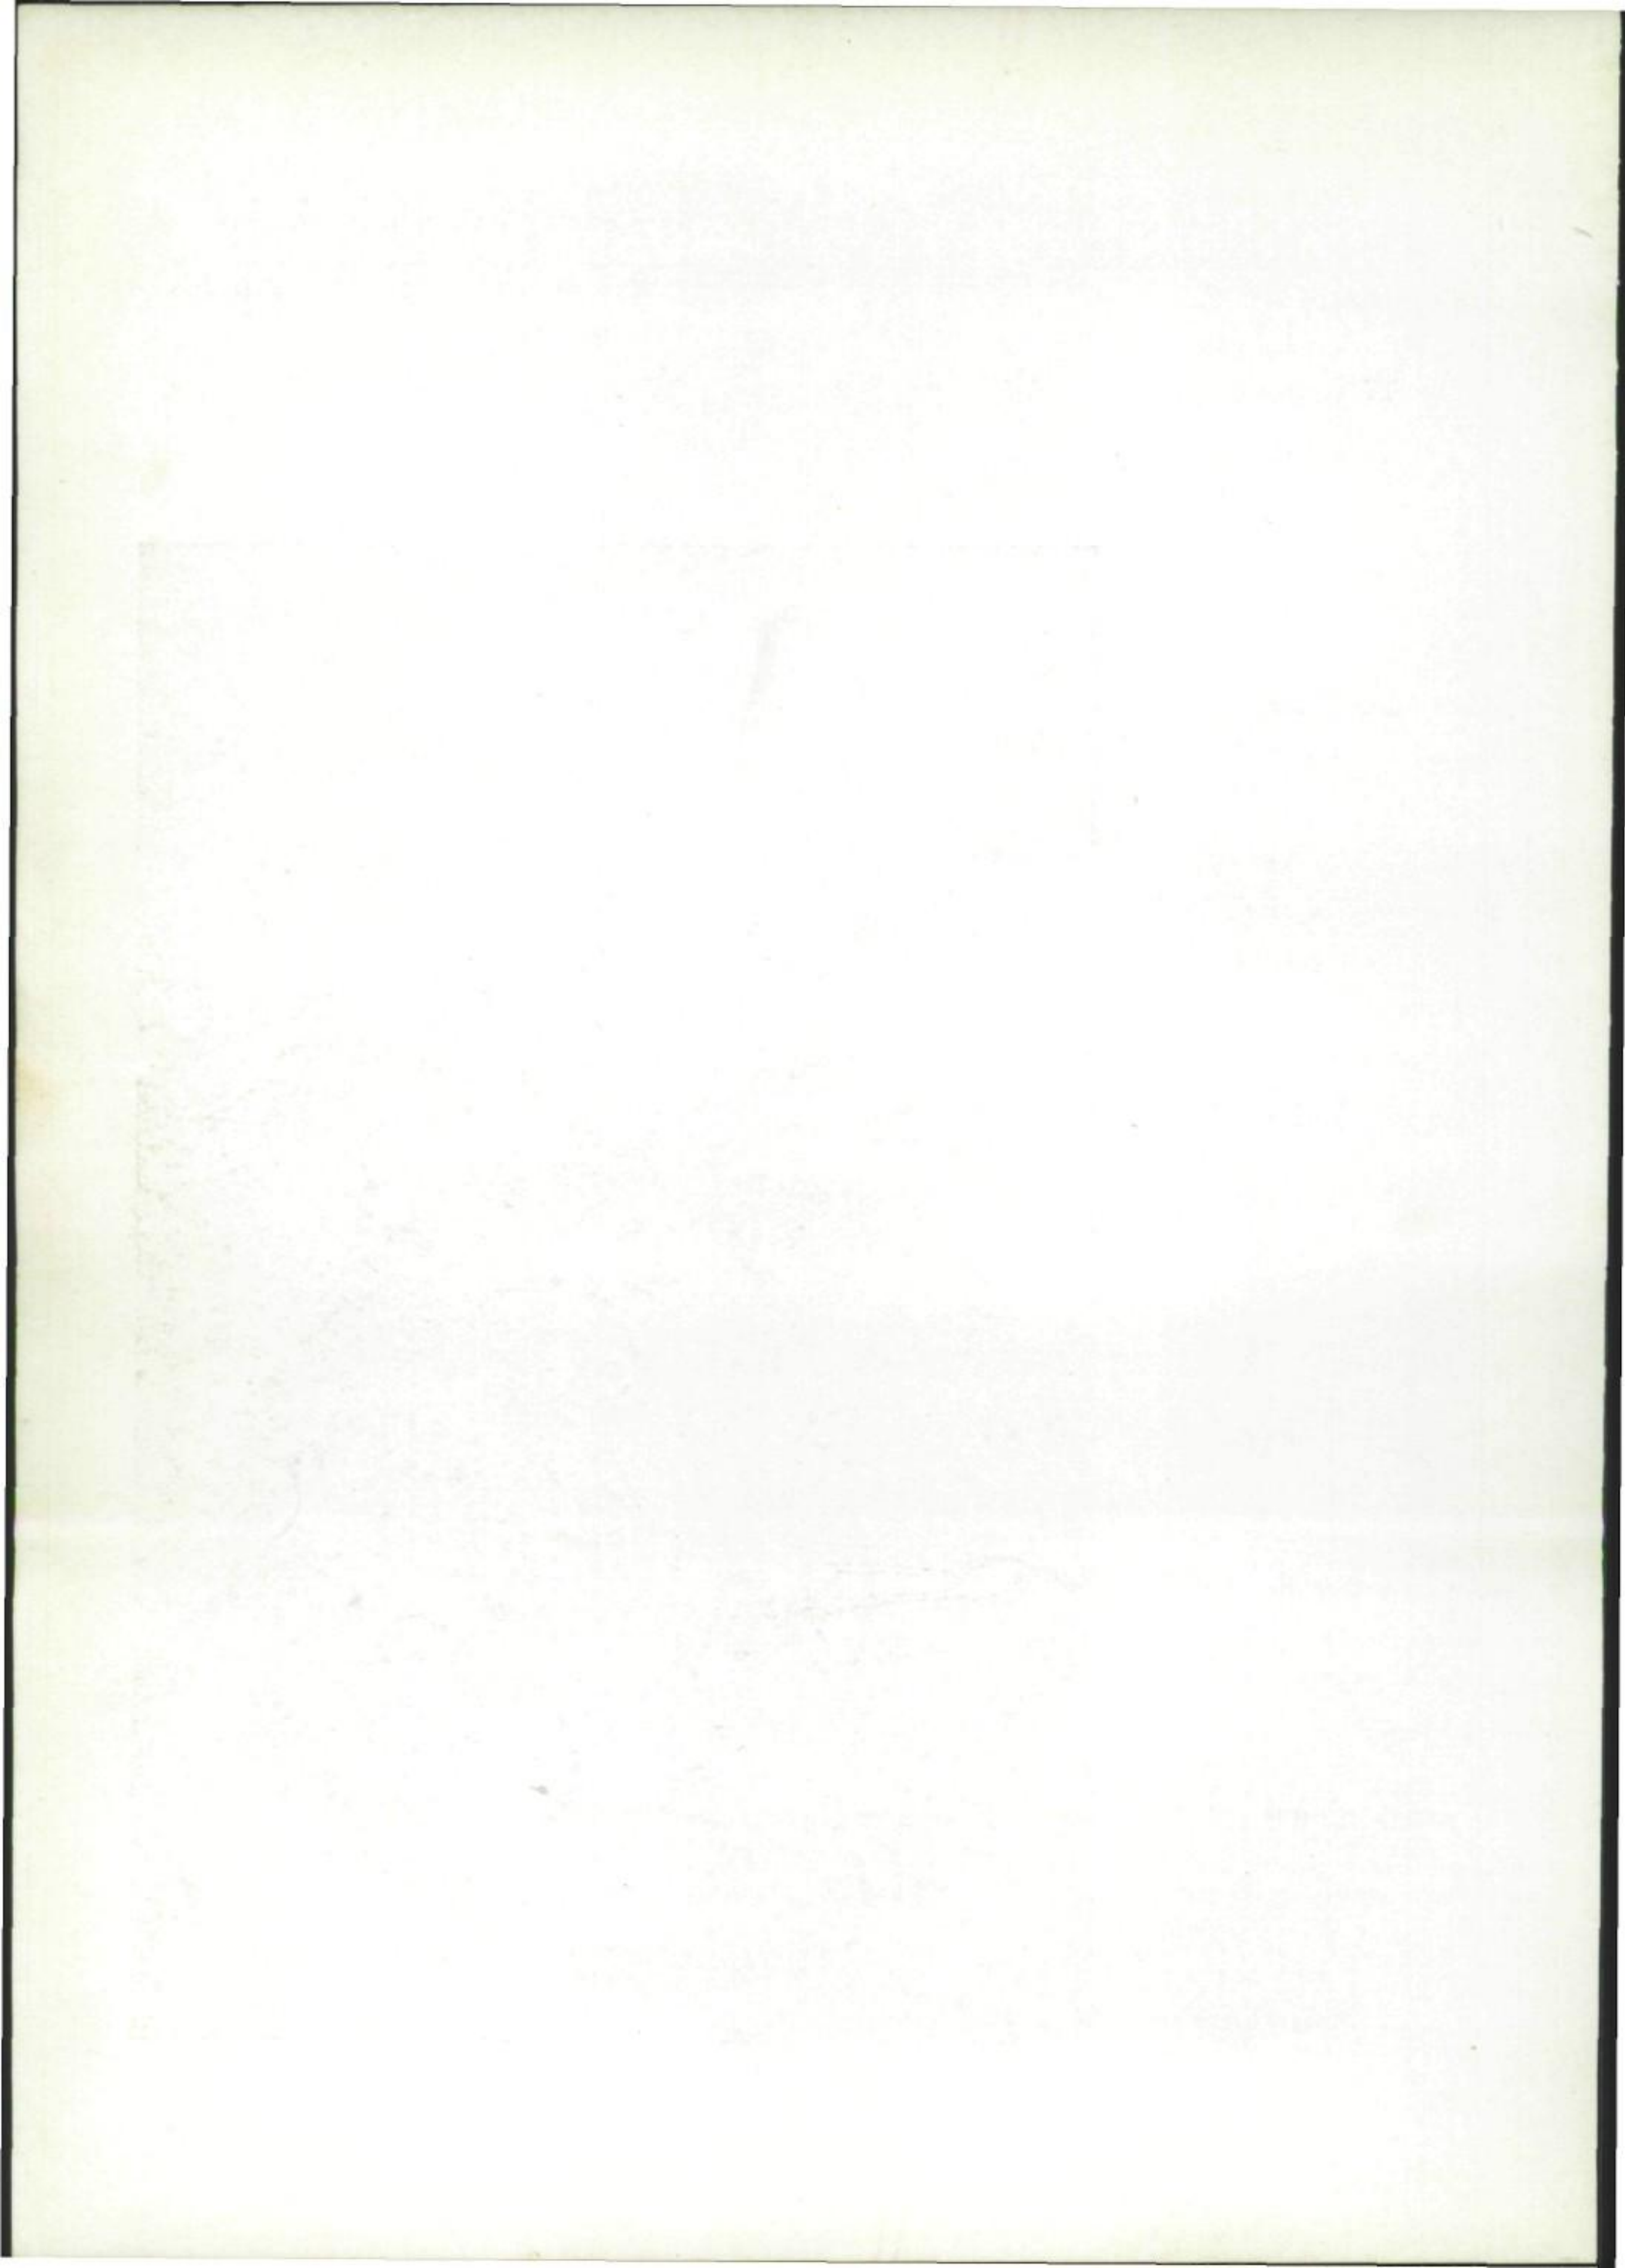

- Biologists hunt for the tiny little microbe — they aren't going to let them get them if they can help it.

- Machinists and smithy are busily at work. Lathes turn steadily while the operators strive for perfection.

Superintendent's Message . . .

SERVICE is what the world demands today of each and every one of us, whether it be in the humblest capacity or among the higher positions of honor and responsibility. It is not enough that we "do our bit" — we must "do our best" at all times and under all circumstances, and be guided by the writing of a classic. These artists and writers put their hopes, their inspirations, their very souls, their best into work. When you give the fullest measure the world will stand by and acknowledge that he "lives best who serves most." Human service, the only thing that gives a man the right to live, be he laborer, scholar, poet, peasant or prince, is the password to success, and the key to true happiness. In all of our school relationships let us keep in mind that true happiness comes in serving others.

J. E. Carlson, Jr.

- Mr. Carlson has been the superintendent of the Douglas schools for the past thirteen years. He came to Douglas in 1916. He is a graduate of the Lewiston State Normal in Idaho and of the University of Washington.

• Mr. Bergfield is serving his twelfth year as Douglas High School principal. He came to Douglas in 1924 to head the system at Grammar. He is a graduate with an M. A. degree of Washington U. in St Louis.

Principal's Message to the Students . . .

FROM the beginning of the human race man has carried on a never ending contest with the forces of nature. Early man observed these forces with fear and superstition. Since he ascribed personalities to each of them, he sought to gain their good will or to appease their displeasure by adoration and sacrifice. Today man approaches the problem from a scientific viewpoint. Instead of viewing them with superstitious fear, he knows that all of them obey immutable laws. Man's task is to understand these natural laws and to put them to use for his own benefit.

Among the last of the forces of nature to yield its secrets to man and to become his servant is the air above. From those mythological characters, Daedalus and Icarus who were pioneers in aviation, to the present time man has made wonderful progress in breaking through the last frontier confronting him in the physical world. Many men and women have given their lives in this great struggle. Today the tragedy is that the results of their sacrifices have been turned into channels of destruction. Their labors however, are not lost for when peace again comes to the world, aviation will again be devoted to the welfare of man.

The motif in this issue of the Copper Kettle pays an excellent tribute to the pioneers and heroes in the field of aviation.

Studentbody Presidents for '40 and '41

TED BLOODWORTH

served as studentbody president during the first semester of this 1940 - 41 school year. Ted is active in all high school affairs. He lettered in football and was one of the outstanding Douglas Bulldogs for the past two seasons. To add further to his laurels, he was chosen as the out-standing allround boy last year and repeated again this year.

TED HUIH

was elected to the position of studentbody president at the close of the first semester. He has served in that capacity during this second semester. He won the election only after the most spirited campaign ever held in D.H.S. Ted lettered in football and also in basketball this year. He has been a popular fellow-student.

In their first class meeting, Bill Loretz was elected president and was ably assisted in carrying out his duties by a staff of interested freshmen. They carried out each little duty to the best of their ability and were very proud of their work. To them it seemed that there had never been such an outstanding looking "D" before, after the white-washing they gave it. This year the class sponsored a fun house at the Hi-Jinx and after much hard work, they made it a paying proposition.

The fall of 1938 presented the school with a group of proud new sophomores. With know-it-all smiles, new cords and make up. The outstanding activity for this year was the assembly presented to the student body. The program consisted of numbers from class talent representing entertainers in a night club. Athletics found them at the top, carrying away all the honors in intramural volleyball and basketball.

A haughty group of upperclassman, who made sure that everyone knew of their new position, took their places that fall in active school life. They contributed several important members to the grid squad and later in the season to the other sports. After the close of the Copper Kettle King and Queen contest, the Juniors directed their energy to help make their booth at the Hi Jinx a

success. Standing up to the past year's record they presented another outstanding assembly, written and directed by the class members. Their prom for the Seniors at the end of the year was a fitting and proper climax to the years activities.

In an effort to be dignified Seniors the class members sailed into their work as smoothly as possible, but soon lost their dignity in the business of their activities. Besides the class activities, the members individually were the heads of nearly all the school organizations. The first activity was to sponsor the first class assembly of the year. It was a play that centered around a mountaineer theme to tie up the new custom they were introducing to D. H. S., a Sadie Hawkins' Day dance. The hill-billy characters made a return engagement later to advertise class activities. Seniors were most important members of school athletic teams this year. They sponsored another dance which may become a tradition — on Valentine's Day. The rest of the year was spent in carrying out the routine activities of all seniors — ditch day, examinations, the proms, class night, and graduation. And now we bid a fond farewell to our Alma Mater, thankful for all the good times and bad, for every little memory of our high school days.

JUNIORS

The Junior Class opened its third year in Douglas High School hopeful of an ever active one. During this year, they emerged from underclassmen to upperclassmen, and from gaukey kids to young girls and boys. The Junior year in high school brings the Junior Prom, Junior Senior Banquet a better assembly, etcetera.

At the first meeting, officers were elected to serve during the year. Jim Haythornwhite was named president, Bob McCue - vice president, Jean Howe - girl representative, Jack Eicks - boy representative, King Kenny - treasurer and Sally Darnell - Secretary. Jack Eicks left school at the end of the first semester but the class did not name his successor.

One of the important decisions made by the class was the selection of an engraving company to furnish the senior announcements for the next five years. The officers met with those of other classes and made this decision in view of the fact that a saving could be made on each announcement. Each class, however, will have the privilege of selecting their own design.

The Juniors this year were fortunate in having individual pictures taken for the annual. This is an innovation of the '41 book. Pictures were taken by the Irwin Studio and room 9 was converted into a suitable studio.

The assembly presented to the student body was a take-off of a Kay Kyser pro-

gram. Several students responded to questioning and entered in the fun. Possibly the laugh of the program was King Kenny's reply to the song number — "Strawberry Hill" instead of "Blueberry Hill."

The class for its final venture of the school year 1940-41, planned and presented a well attended Junior Prom and Banquet. The banquet was served in the high school gymnasium with approximately one hundred and fifty in attendance. Nearly all of the Juniors and Seniors attended as well as the faculty and school board members. The Prom followed immediately after the gymnasium could be cleared. This affair was given Thursday, May 17th.

The programs for the Prom were printed in deep blue on a Mulberry wood grain paper. They were made up attractively.

The Junior class also prepared the stage for both Baccalaureate and Commencement programs. The Baccalaureate was given Sunday, May 18th in the high school auditorium while the Commencement program was presented at the Grand Theater.

One boy and girl from the class led the two lines of seniors to and from the stage.

The entire class is looking forward to their final year when they will be the graduates and even now are planning great things.

SOPHOMORES

Proudly entering the front door, the Sophomores of 1940-41 began a successful year last fall. The class was thrilled with their new status and began the year with a bang by electing a girl for Class President. Lurline Gray had this honor. Other officers were Bob Corley, Beulah Clinch, Mario Rochin, Dean Willoughby, Bill Cowan, and Tony Morales.

Their assembly was one of the best of the year. The main attraction was a play with a Cinderella theme; Polly Hagan rendered a vocal solo and Jack Clemens played his ocarino as special features. It won praise from throughout the school.

The Class was well represented in the Copper Kettle Contest for Queen by Dean

Willoughby, Lurline Gray, and Ruby Mae Whatley. Dean was chosen as an attendant to the Queen by a famous artist.

The Sophomores starred in athletics, being outstanding in all fields. Tony Morales brought honor to the Class by being chosen as a member of the Southern Conference Basketball team.

For the Hi-Jinx booth they had a ring throw, which proved to be a very profitable venture. It was capably managed by Lurline Gray. This proved to be one of the leading attractions of the Carnival, being exceeded in profits by only one other organization.

The thespian abilities of several members of the Class were displayed in various Mask and Dagger productions.

FRESHMEN

In September the new freshmen entered the portals of high school. The Class made up and occupied five home rooms, they took an active part in the school activities and sports, especially in intra-mural events, developing several individual champions.

The first meeting was held in the early part of the semester, at which time Mr. Park was chosen advisor. Officers were also elected. They were: President - Joe Best, Vice President - L. Lievanos, Treasurer - Ruby Helms, Secretary - Hector Cota, Girl Representative - Cecelia Velasco, Boy Representative - Lew Young, Yell Leader - Jack Clemens.

The second semester, a new class entered and as part of the former class became Sophomores, re-election of officers was

necessary. President - Earl Powells, Vice President - Charles Bretches, Treasurer - Mary Beth Nelson, Secretary - Eva Cartwright, Girl Representative - Madeline Williams, Boy Representative - Lewis Kluttz, Yell Leaders - Glendora and Gloria Schwantes.

The freshman class gave its full co-operation taking part in all scheduled events. They painted the "D" on "D" Day, co-operation in the Hi-Jinx Carnival, and made the second largest profit of all the concessions, and gave their annual assembly April 11th. The play, "Love in Bloom", with an entire freshman cast and a varied form of entertainment provided an enjoyable afternoon for the entire school.

Around the world flights are being made more today than ever before. The first around the world flight was made in 1924 by United States Army Flyers who flew around the world in 8 days and 45 minutes, a distance of 27,533 miles. In 1933, Wiley Post circled the globe in 7 days 18 hours and 49 minutes, covering a distance of 15,596 miles and setting a new record. In 1938 Howard Hughes broke this record by circling the globe in 3 days 19 hours and 8 minutes. His cruising speed was an average of 206 miles per hour and, breaking all records made. In years to come, fliers will be making this flight in a day and a few hours. Record breaking flights are being attempted almost every day.

WHO'S WHO of douglas high school

Selected by a competent and unbiased committee, eleven students compose the outstanding group of 1940-41. These eleven boys and girls were chosen for achievement in some trait shown during this school year. A boy and a girl were chosen for scholastic achievement, all-round ability, leadership, service to the school, sportsmanship, and outstanding athletic performance.

Lurline Gray makes the 1940-41 Who's Who for all-round ability because of her scholastic achievement, leadership ability, and social activity. As prexy of the sophs, she was very capable; she appears on the honor roll each six weeks; and boosts D.H.S.

Tony Morales was chosen as outstanding in leadership. He clearly displayed this in many basketball games this past season and this trait carried into his classes, also. Tony is only a sophomore and he has two years to capitalize on his ability.

Ted Bloodworth for the second successive time is honored with the award of all-round boy. Ted has been student-body president, active in all school activities, and a star footballer. Ted's fine personality also contributes to his all-round trait.

Frances Smalley is the choice of girls for leadership. Active in dramatics, especially, Frances has the ability, and often used it, to coach others in plays. She has taken an active part in school events throughout the year.

Alicia Lugo was chosen for Who's Who because of the fine sportsmanship that she displays at all times. She takes an active part in G.A.A. events. Her sportsmanship, however, goes farther than just athletic contests as it is displayed everywhere.

Dorothy Dillard was named in the Who's Who because of athletic ability. She has been active in all G. A. A. sport events for the past three years. Dorothy is quite a sprinter, plays basketball well, and then, also, takes an active part in tumbling.

Luis Calderon was chosen for sportsmanship from the boys. Luis was considered a fine sport in track, but his splendid attitude in all classes and in all high school activities makes him the number one choice for the honor.

Jim Negri is, undoubtedly the outstanding athlete in D.H.S. He has lettered three years in the four major sports. Jim was also picked on the all-state basketball team, chosen the outstanding player in the S. C. tourney and made selective football teams.

Martha Yelverton, because of her expended efforts on the Border Bulldog and Copper Kettle staffs, her participation in dramatic productions, and her activity on decoration committees, was chosen as the girl giving the most in "service to the school."

Carl Swanson was chosen for his scholastic achievement but he was also chosen as one giving the most service to D. H. S. for this year. Carl put "oomph" to the Border Bulldog and edited a weekly paper that was acclaimed outstanding in H. S. journalism.

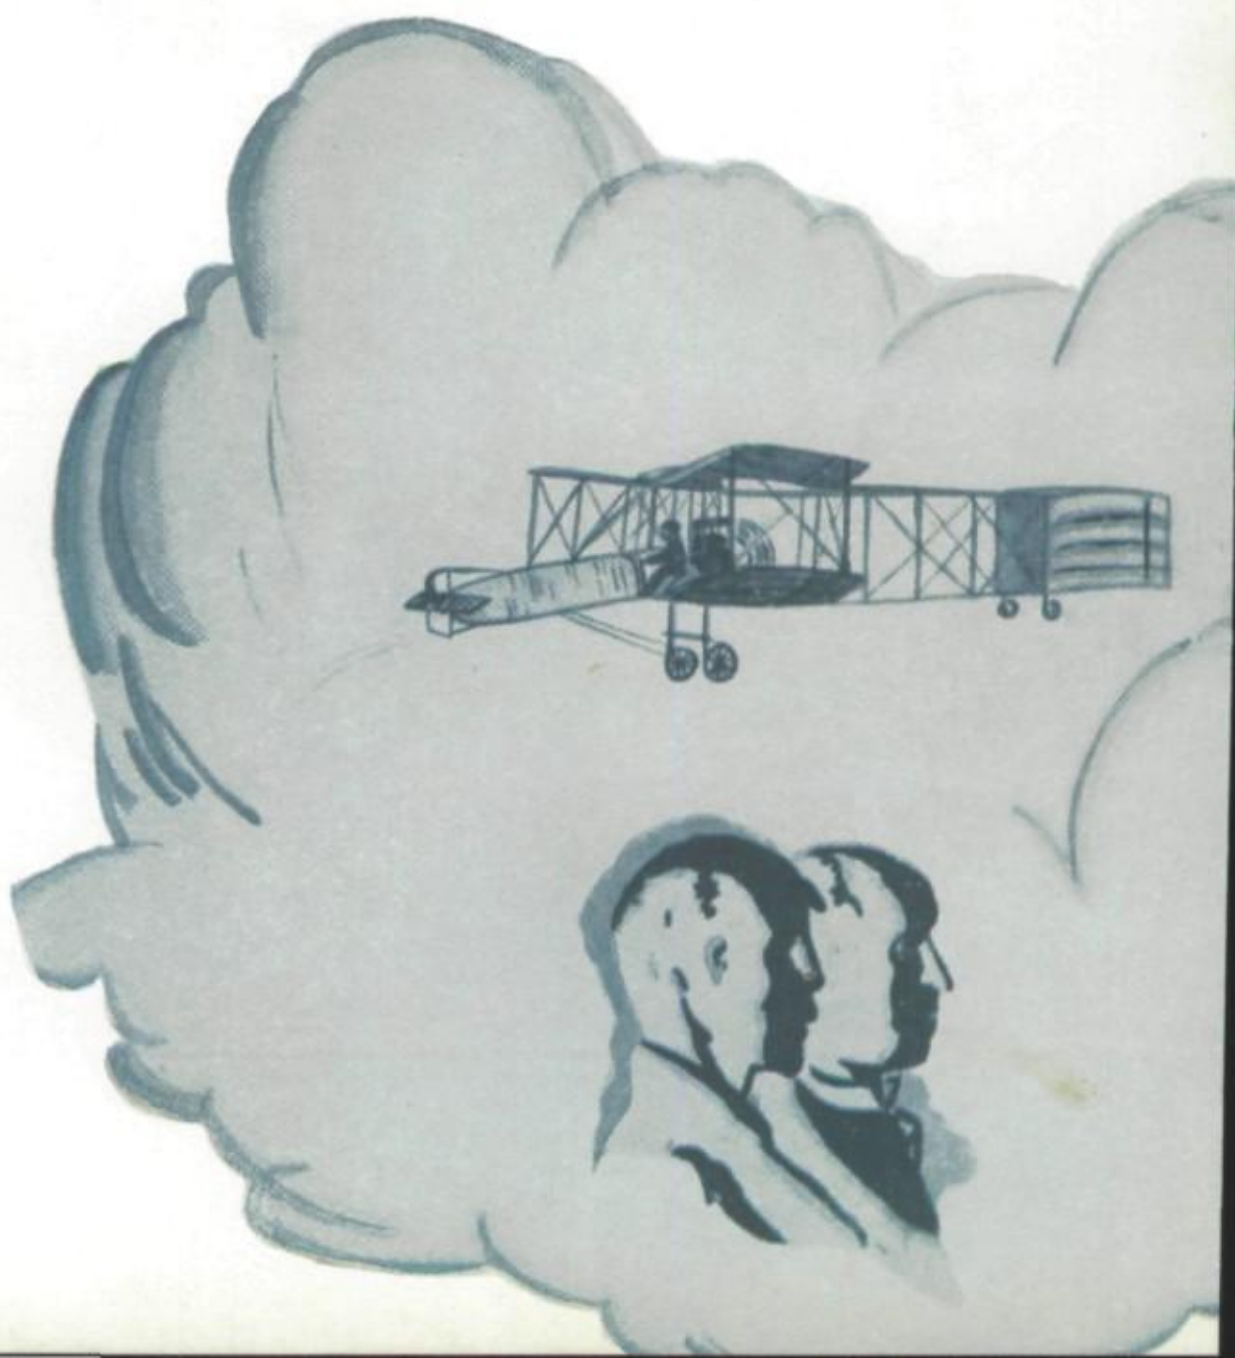

Elaine Haymore with a scholastic average of 1.03 throughout her four years in Douglas High School is in our Who's Who for this outstanding achievement. Elaine will deliver the valedictory at the Commencement Exercises.

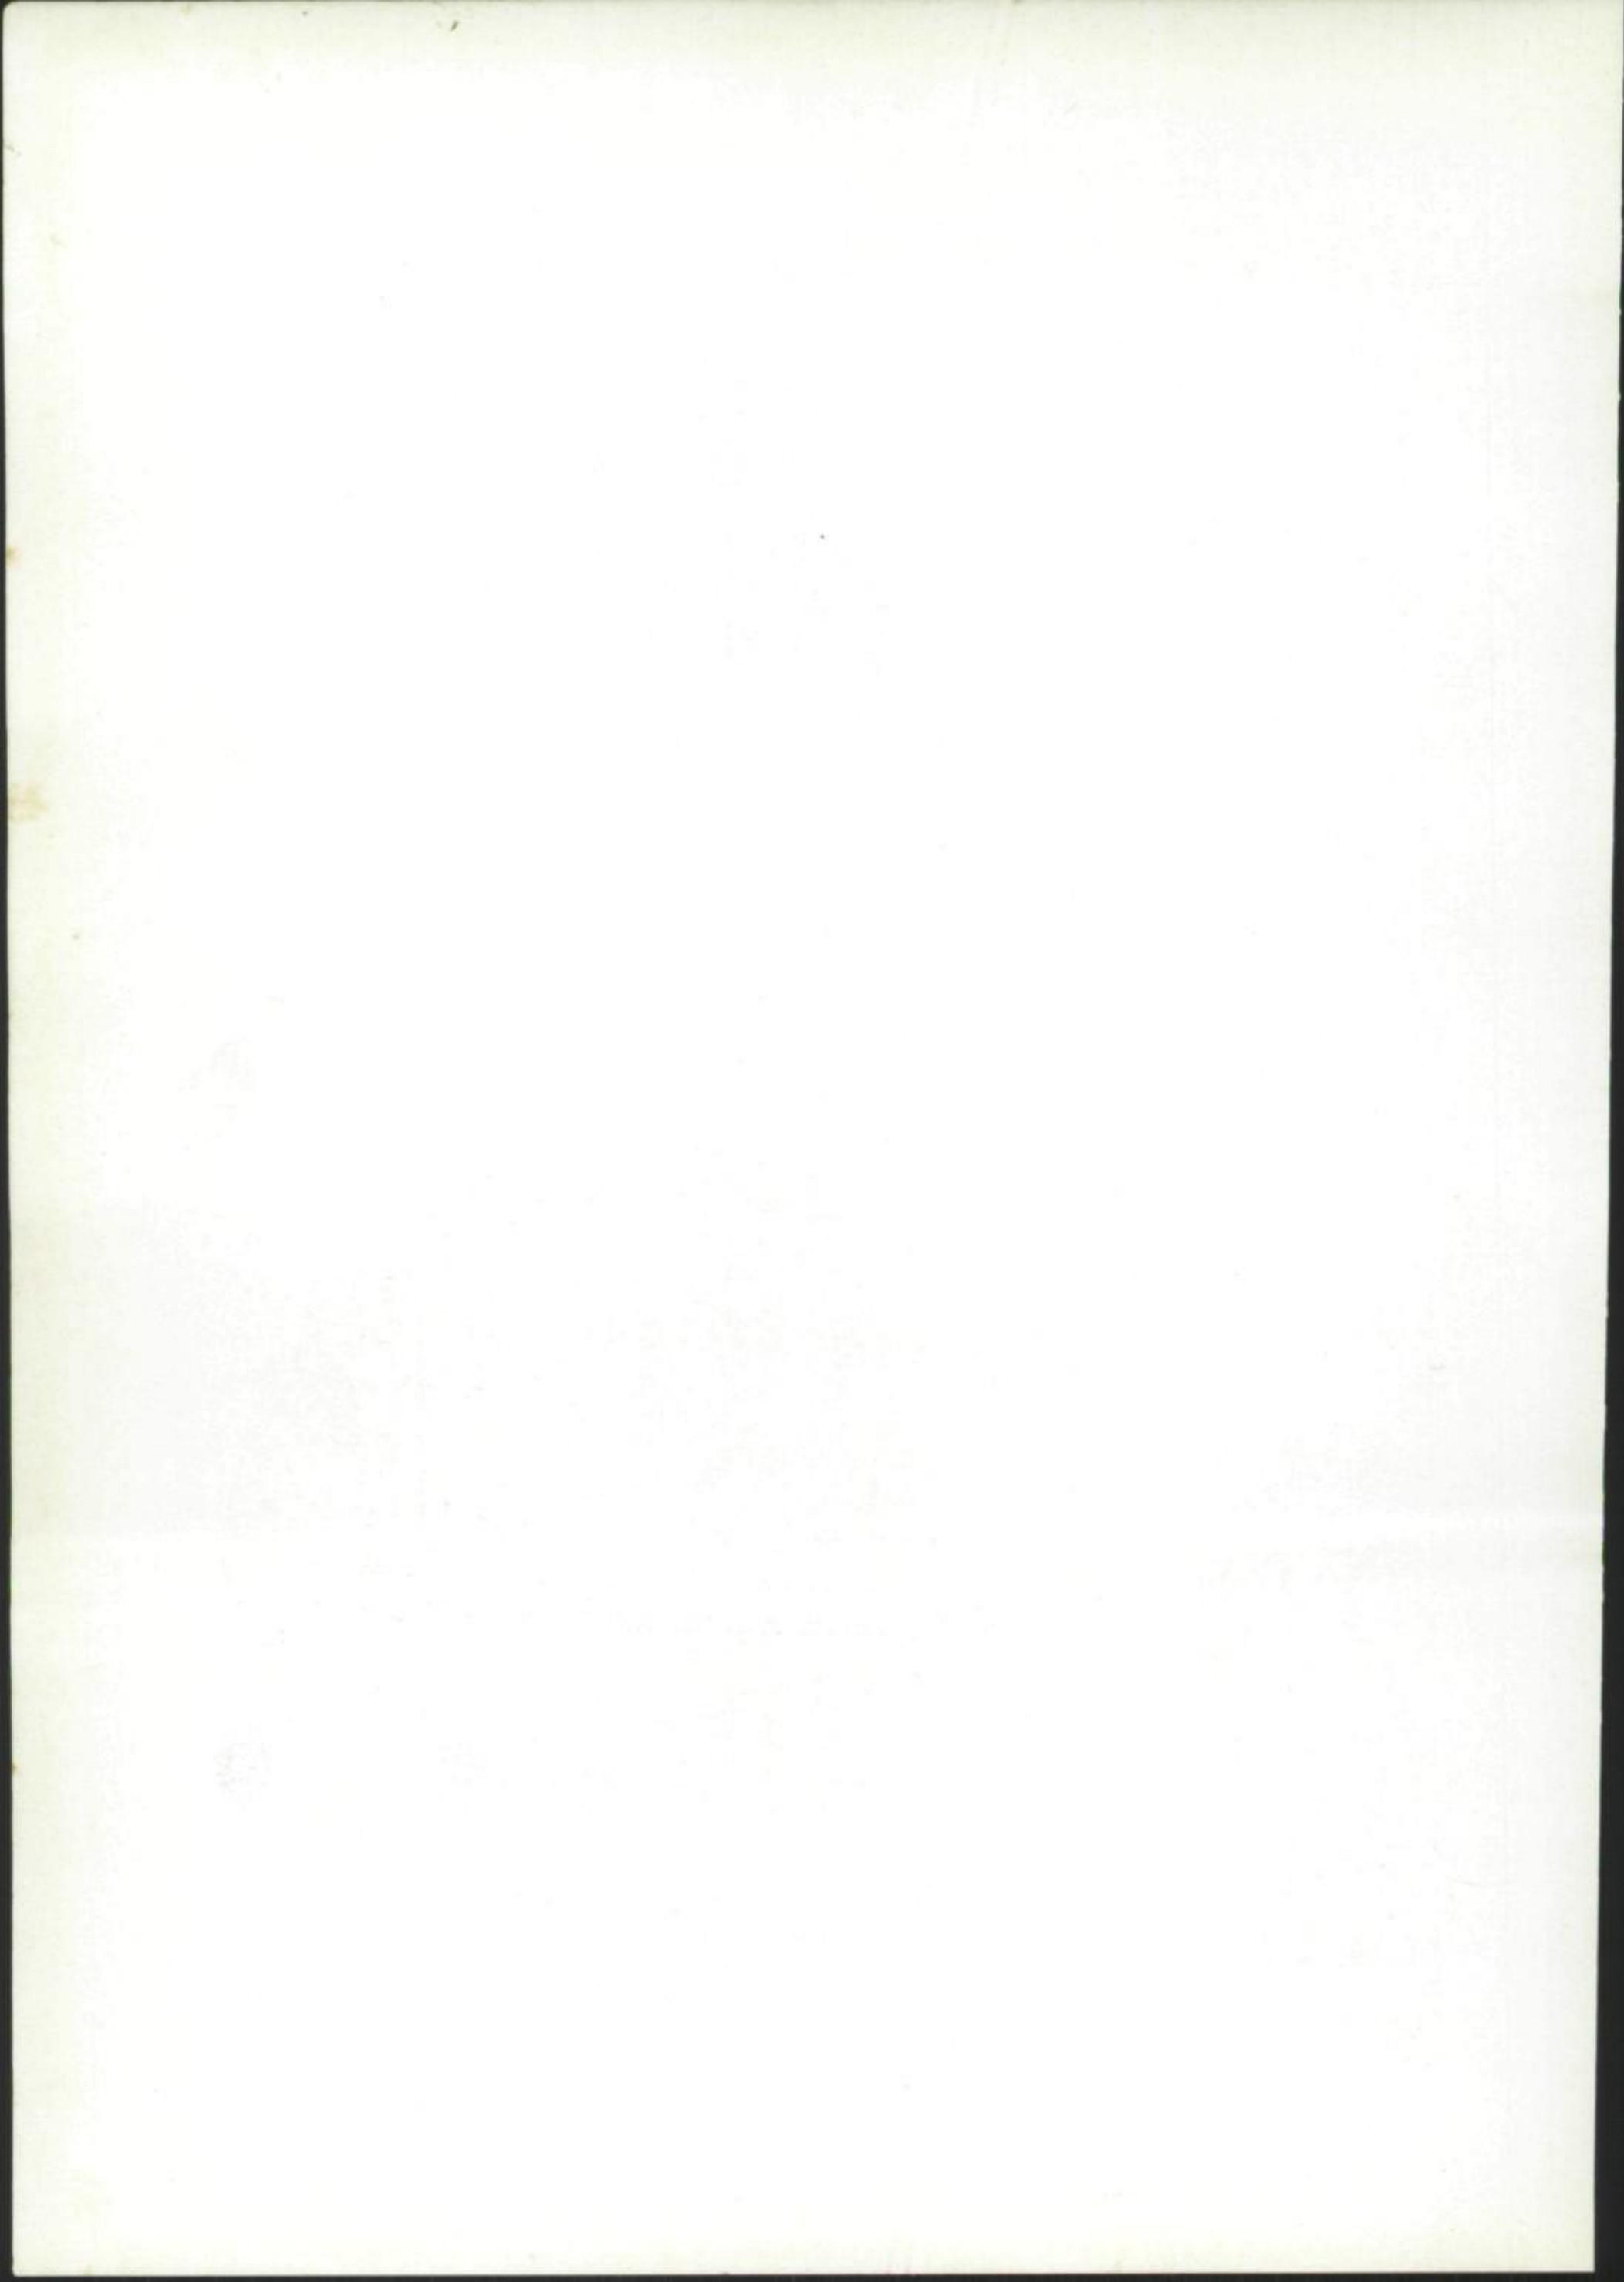

Speed is one of today's essential factors for aviation. The first airplane, which was the Wright Brothers airplane, had a speed of 56 miles per hour. Within the last 37 years, speed has increased a great deal. Today our airplanes are cruising at 450 miles per hour, and their top speed is 650 miles per hour. Lloyd Childs, a great test pilot, holds the speed record in an airplane. In 1940 he dove a Curtiss Pursuit ship at a speed of 650 miles per hour. Speed is still increasing a great deal for our airplanes that are coming in the future. Scientists say that some day the speed of airplanes will be 750 miles per hour. This will help commerce considerably.

. . . Yell Team Gives - and How!

The yell team of Cordy Robertson, Jean Lyles, and Bob Nash brought forth much enthusiasm at all athletic events this past year. The team won in competition at the initial football game of the year, then carried on for '40 - '41. The natty gold and black uniforms only added to the already abundant color of their yelling.

- Reaching for a yell. Let's give.

- A Douglas victory over Bisbee caused all of the enthusiasm shown here. Cordy, Bob, and Jean finish a very energetic "Go——Douglas." Who wouldn't yell with a team like that? Especially two-thirds of it.

BULLDOGS END MEDIOCRE

• Coach Milt Morse started his twelfth year as head coach for D.H.S. He handles football, basketball, and track sports. This years hoop squad ended in the semi-finals of the state tournament. Glenn Dunham assisted Morse in football this being his first year with the first squad. Thelbert Morrow took over the Pups in football and basketball and then headed the baseballers. This is the third regular season for baseball and the sport is gaining in popularity each year with the students.

• Head coach Milton B. Morse in practice attire.

• Coach Morse and his fellow worriers plan some strategic move for their next tilt. Tom Morrow looks rather distressed over the prospects, but Glenn Dunham, to your left, seems rather enthused.

1940-41 ATHLETIC SEASON

• Coach Milt Morse opened the '40 grid season with seven returning lettermen. The schedule opened against Florence, a new opponent for the Dawgs. The Avalanche took three wins to start the season, but then dropped one to those Nogales Apaches. They proved themselves in a "D" victory over the club from Las Cruces high. During the season the Bulldogs scored 148 points to their opponents 164. Five games won and four lost gave them an average of .555 for the season.

• Haynie scores a bullseye in the Las Cruces game.

Florence and Willcox are Defeated in Opening Games

● FLORENCE 6 — DOUGLAS 13.

Raising the curtain on the 1940 football season, the Bulldogs defeated the Florence Gophers 13—6. The teams fought hard in the steady down pour of rain. Both ran up scores in the first of the game and only twice after did they near pay dirt. The Bulldog's scored first when Negri ran 20 yards and then lateralled the ball to Young who stepped over for six points. For the second score Negri intercepted a Gopher pass and skirted the sidelines for 30 yards. The invaders scored early in the first quarter by a short pass over center.

In the second half, the Florence eleven opened with an aerial attack which the Morsemen were unable to check. Out of 13 passes thrown the Gophers completed 10.

● WILLCOX 0 — DOUGLAS 26.

Smashing through for their second consecutive gridiron victory of the season, Friday night the Douglas Bulldogs whipped the outclassed Willcox Cowboys 26-0 on the local field, October 4.

The Morsemen were clicking and they scored in three of the four quarters. The Cowboys made their only threat early in the first half, but fumbled after advancing the ball 10 yards from pay dirt.

The Bulldogs were paced by Negri at left half, and Salgado who filled Negri's shoes in the last quarter. Negri, scored two of the tallies and Jack Griffin ran over for the fourth and last score. Ted Bloodworth was tower of strength on the Bulldog line. He figured in on 90 per cent of the plays.

- Negri starts on one of his many jaunts against the Willcox Cowboys.

- A shoe string tackle with Corley coming in to assist. It's a Mortician who is down.

Tombstone Dropped but Dawgs are Scalped by Apaches

• TOMBSTONE 0 — DOUGLAS 39.

In the third home game of the season the undefeated Douglas Bulldogs tripped the Tombstone Yellowjackets 39-0. This was the heaviest score the Bulldogs rolled up during the season.

Early in the first quarter Jones and Morales each went over for 6 points on passes from Negri. In the second quarter, Morales ran wild running the ball from the 46 to the 10 yard line where Salgado took it over for 6 more points. Score at half time was 19 - 0.

In the third quarter, Negri and Morales started clicking off long gains. Negri took the ball and ran over from the 30 yard stripe and later Morales duplicated from the 22.

In the closing minutes of play Negri ran 80 yards for the Bulldog's sixth score.

Negri, Morales, and Salgado were outstanding in the backfield, while Bigelow, Bloodworth, and Haythornwhite starred on the line.

• NOGALES 39 — DOUGLAS 13.

Making the first trip of the season the Bulldogs bowed to the Nogales Apaches to the tune of 39-13. The Apaches ran wild in the second half of the tilt.

Opening the game the Apaches made the first score with a sustained ground attack. It looked as if the Bulldogs had met their match, but they were able to score in the second quarter. Both teams scored 13 points in the second and third quarters.

Negri uncorked a 65 yard dash for the Bulldogs marker in the second quarter. The second score came via a pass, Negri to Morales, in the third stanza.

In the first half, the Apaches struck four for the touchdown score. They unleashed a power attack that the Bulldogs couldn't cope with.

Haynie, Pollard, Negri, Morales and Bloodworth played outstanding ball for the Douglas Bulldogs.

- Bringing down Barnett in midfield.
- Barnett submarined by Negri assisted by Chavarria.. Bigelow and Howe are coming up.

Tucson and Bisbee Games are Fatal to the Morsemen

● TUCSON 45 — DOUGLAS 0.

The Douglas Bulldogs bowed before the Tucson Badgers to the tune of 45 to 0 for their second defeat of the season. Red and white shirted Badgers were everywhere and the Morsemen couldn't cope with their attack.

Leaving here fairly early the day of the game, November 1, the boys arrived just in time to don suits and get on the field. The bus broke down midway leaving them stranded. The Badgers used 49 players running the tired "Dawgs" ragged.

Statistics in the first half showed the Badgers strength. They gained 100 yards from scrimmage to 10 for the Bulldogs. Tucson has become a big power in football circles in the state and are too much for Douglas.

● BISBEE 40 — DOUGLAS 0.

Suffering from the Tucson game, the Douglas Bulldogs bowed to the Bisbee Pumas to the tune of 40 to 0.

With both the teams fighting hard, Barnett dashed 60 yards for the first Puma score, in the opening quarter. The Bulldogs seemed lifeless and their offense bogged down time and again.

In the third quarter the Bulldogs were unable to stop the Pumas and they scored 20 points. The Bulldogs in a desperate attempt to score took to the air, but passes wouldn't connect. Jumping Joe Salgado broke loose for two long runs of 25 and 30 yards and it looked like the Bulldogs would score, but four downs later they ended up with a big loss. It was a Puma day.

Las Cruces Defeated in Thriller; Lordsburg Upset 26-7

● LAS CRUCES 14 — DOUGLAS 24.

In the most spectacular game played on the home field this season, the Golden Avalanche beat the Las Cruces Bulldogs 24 — 14 in the Annual "D" Day tilt, Oct. 25.

Cruces received the kickoff and powered their way down the field to go over for six points. Negri passed to Morales who ran 31 yards to pay dirt. Half score was 7 - 6.

Opening the third quarter, Negri, on a full spinner, galloped 40 yards for 6 points.

In the fourth quarter Negri ran wild with the ball. On a series of end around plays he advanced it to the 28. Then he ran it to the 12 yd. line and lateralled to Morales who went over standing up. Chavarria went over from the one yard stripe for the final score.

● LORDSBURG 7 — DOUGLAS 26.

In their first victory on a trip the Morsemen beat the Lordsburg Mavericks 26—7.

The Mavericks fought throughout the game, but the Bulldogs were clicking like a well oiled machine and they soon wore their opponents down.

The Bulldogs, sparked by Negri, were the first to score. Negri grabbed the ball and headed down the center of the field to collect six points. His conversion was good. For the second score, Salgado skirted around end on a thirty yard run. In the third quarter Negri again broke loose and ran across pay dirt. Morales, flashy sophomore back, made the fourth touchdown.

Lordsburg netted their seven points by a run through the line.

• Rudy Camunez stopped after one of his usual long runs. He was a slippery boy.

• Bisbee submarines Jumpin' Joe

- Negri on an end run attempt against the Pumas, Armistice Day.

Gold and Black Leads the Pumas Until Final Seconds

• BISBEE 13—DOUGLAS 7.

Playing their last game of the '40 grid season, the Douglas Bulldogs again bowed to their old rivals, the Bisbee Pumas to the tune of 13-7. Fighting harder and more valiantly than they did on Armistice Day, the Gold and Blacks were still unable to down the Pumas. Up until the closing seconds of play it looked like the Morsemens could hold their rivals and that they would make it number 30 in the long time record. A series of passes dispelled all visions of a victory, however.

This game was more even than the first encounter of the two teams. It was nip and tuck throughout the game. Bisbee was first to score, but failed to convert. Douglas quickly followed in the scoring department and their conversion was good to give them a 7 to 6 advantage. The first half ended

with the Dawgs still leading.

The third quarter was played in midfield with Douglas meeting every thrust of the heavier Pumas. This third period ended with the Dawgs still leading 7-6.

Opening the fourth quarter, both teams threatened, but the Bulldogs held on their 20 yard line and the Pumas stopped Douglas short of the 25. In the waning minutes of the game, Bisbee started on their own 10 yard stripe and passed the Bulldogs back to their own 30. From there, an aerial heave sent Yanez over without a Bulldog close. The right half for the Morsemens sucked in letting a pass receiver in the clear. This spelled victory for the Pumas the final score 13 to 7.

The record now stands 29 games won for the Bulldogs, 30 for the Pumas and six tied. This is the all-time record covering a period of 34 years.

PUPS BREAK EVEN WITH KITTENS

The Pups met the Fort Grant Mustangs in their initial game of the season, playing under the lights in the Douglas Stadium. The game was expected to be a push over for the Fort Grant boys because of their added weight, age, and experience. The Morrowmen played good ball, but frequent fumbles cost them potential scores - the final gun ending the game with a 19 to 6 decision for the Mustangs.

The first game of a four game series with the Bisbee Kittens saw the Pups again defeated. Bisbee's power shunted the Pups to one side for a 7 to 0 win. In the second encounter Douglas was smothered under an avalanche of points - 25 to 6. Schwantes, on an interception, carried the ball 45 yards into pay dirt for the only Douglas tally. The Pups threatened only one other time during the game when Fields traveled 60 yards after intercepting another aerial heave.

In the third tilt of the series, the Pups

came through for their first victory of the season. The young Gold and Black crossed the pay stripe twice, but failed to convert. Bisbee pushed over one lone tally giving the Pups the edge, 12 to 6. The first score came as Wallace scampered 46 yards into touchdown territory. The half ended with the score 6 to 0. Opening the second half, Hunter aerieled one to Kenny who went the rest of the way untouched bringing the Douglas total to 12. Bisbee scored on straight power thrusts in the third period ending the scoring.

In the final game of the year, another one with Bisbee, the Pups smothered their rivals with a 24 to 7 count. Fields drove through for long gains bringing the ball within striking distance from where Wallace carried over for the tallies. Rochin also accounted for one Douglas touchdown. Bisbee was held to short gains, their only score coming in the closing minutes on a long pass.

Left to right - Row 1 — Hoffman, Crabtree, Castenada. Row 2 — Scott, Gaytan, Castro, Hiatt, Powells, Lorack, Carpenter. Row 3 — Whisnant, Wallace, Rochin, Jones, Bruno, Stewart, Fields. Row 4 — Krider, Vincent, Meeks, Gutierrez, Huber, Hannum, Jorgenson.

MORSEMEN END SEASON

The Bulldogs started out slowly losing the starter of the season to Globe then pulling up in the second game to take a win over Florence. The season's record was 14 games won against 12 lost. Slated to be the underdogs in the Southern Conference tournament, which was held in the Douglas Gym, the Bulldogs pulled through to win the consolation championship after losing a hard fought game to the Benson Bobcats in the semi-finals of the championship bracket. The Morsemen were picked as the underdogs in the state tourney but pulled through to the semi-finals losing only after

• Tip off in the Bisbee game. The Bulldogs won.

a hard fought game to Miami 47 to 48 in the championship bracket. The Dawgs played such a fast and snappy brand of ball that the sports writers at the tournament praised them in all their stories and rated the Dawgs on a par with the Miami Vandals. The Bulldogs had one very outstanding player in Jim Negri. Jim did such outstanding guarding that the sports writers gave him special praise in all write ups. Jim made the all state team. The boys who wore the Gold and Black in the majority of games were Jim Negri and Spot Huish, guards; Hector Cota, Tony Morales, and Joe Jones, forwards; and Chic Stimac, center.

• Tombstone tries a push shot. Two points.

• Negri tries a shot from the free throw line in the Benson game of the Southern Conference tournament. Douglas lost and went into the Consolation bracket where they came through.

The Douglas high school hoopsters opened their '41 season against the Globe Tigers and were defeated 31-10. The score at half time was 12-12. The Bulldogs were unable to keep up the pace set by the Tigers, and they came out on the short end of the score.

Appearing for the second tilt of the season, the Morsemen easily defeated the Florence Gophers 47-25. Stimac and Morales were outstanding. The next night the Bulldogs defeated the Mavericks 31-25 on the Lordsburg court.

The following week end the Gold and Black's were beaten to the tune of 40-37 by a fast Lordsburg quintet. The game was hard, fast and close all through.

During the Christmas holidays the Avalanche were defeated by the Globe Tigers, 45 - 40.

The next night the Bulldogs ventured down to Safford on their way home and were defeated 33-27. The Bulldogs were unable to get started and fouled excessively.

In the next game, the local quintet opened their '41 Conference schedule with Bisbee followed by one with Benson. The Bulldogs dropped both of these games. The Pumas defeated the Avalanche 30-34. The Bobcats defeated the Morsemen 26-20.

On their second trip the Morsemen downed the San Simon five 36-25 to win their first S. C. game. The Bulldogs took the lead early in the first quarter and held it

for the remainder of the game. In the fourth S. C. game of the season the local quintet trounced Patagonia to the tune of 37-11.

The Nogales Apaches kept their winning ways by defeating the Bulldogs 26-24 in the hardest game of the season. The next night the Avalanche invaded the Badger stronghold to be defeated 34-18 in one of the most ragged, unimpressive games of the year.

Meeting the Pumas for the second time, the Gold and Blacks gained revenge by defeating them 33 - 15. After this, the Morsemen met Benson Bobcats to again be defeated 59-33.

In one of the most one sided games of the season the Douglas Bulldogs knocked over the Willcox Cowboys to the tune of 60 - 25, but the following night they bowed again to the Badgers 44-22.

The following week they took their second win from the Cowboys with a score 53-20. Collecting revenge for the first defeat the Bulldogs trounced the Apaches to the tune of 60-51.

In their final game before the tournament the Bulldog quintet downed the San Simon five 48-32.

The Douglas high school Bulldogs again played host to several teams for the Southern Conference basketball tournament. Those teams participating in the fray were Tucson, Willcox, Nogales, Bisbee, Benson,

St. David, Tombstone, and Douglas.

The Morsemen played their first game of the Tournament with Tombstone and defeated them 55-25. The Bulldogs looked good in this game, but still they were not slated for the finals. Going into the second round of the tourney the Bulldogs met the tough Benson Bobcats and were defeated 35-29. This placed Douglas in the consolation championship bracket. Next the Gold and Blacks met the Nogales Apaches and defeated them 41-30. In their last game of the tournament the Douglas Bulldogs met the Bisbee Pumas to battle out for third place. After a hard fight which lasted for four quarters the Morsemen were able to come out on top with a score of 56-51. Tucson took first place, Benson second, and Douglas third.

After placing third in the Southern Conference Tournament the Douglas Bulldogs then went to the State meet in Tucson to battle for high honors.

In the first round the Morsemen met the Phoenix Coyotes trouncing them 47-36. The Bulldogs were never headed in the tilt. In the second round of the championship flight the Golden Avalanche met Tolleson to defeat them 35-33. This was a see-saw affair with both teams heading at intervals.

Nearing the end of the tournament, the Bulldogs met Miami and after bitter fighting for four quarters were defeated 48-47. Negri fouled out in the first half and was replaced by Hannum.

The Miami quintet won the state championship, Peoria was second, and Tucson took the consolation.

Miami Game is a Heart Breaker for the Bulldogs.

The Pups, or better called the Reserves, played ten games this past season. They hit the win column with six while losing four. Several of the boys were Douglas Pups, or second stringers, while others were substitutes on the first string who played many of the preliminary games. The latter were known as the Reserves. The Pup's starter was with the Bisbee Kittens and in the first quarter the Pups held a two point lead but lost it at the half with the Kittens leading by one point. In the third quarter, the Pups held the Kittens to one point and when the final gun went off they were leading 34 to 20.

The second tilt was with the Benson Reserves. This was a hard fought game and when the horn sounded the score was 17 all which meant an overtime was called. In an over time the game continues for three minutes and if at that time there is still no one in the lead the game continues until one team makes a field goal. In this over time, Douglas made a free throw before the three minutes were up and the Benson five sunk a field goal to win with a margin of one point 19 to 18.

The third game of the season was with the Cananea five. It was a close game until the score reached 21 then the Pups held the Cananea five and managed to make 4 more points with the score ending 25 to 21.

The next game was with the Nogales boys with the Pups leading at the first quarter, the half, the third quarter, and by a score of 22 to 20 at the final.

The next game was the worst defeat of the whole season for the Pups who lost to Tucson 29 to 13.

In the second game with the Kittens, the Pups walked away with the game by a score of 32 to 18. Playing with Benson next, the Pups took the low figures of a 33 to 26 score. Meeting the Willcox seconds in their first game, the Pups recovering from the Benson defeat, won by a score of 27 to 16. The Pups played the Cananea five again in a tough game with the Pups losing by 5 points 36-31. In the second game with the Willcox seconds the Pups pulled through with one point to spare 13-12. In the final game when the opponents failed to show

up, the Pups split into two teams, the Golds and Blacks. The Blacks consisting of Jones, Chavez, Gaytan, McKay, Kenny, Corley, and Gutierrez while the Golds were made up of Ledesma, Melgar, Jorgenson, Hannum, Lopez, Hunter, Rochin, Young, and Lievanos. These boys put on a good show with the Blacks winning by 2 points in a 30 to 32 score.

All of the boys showed talent in basketball and in another year or two will be the first team. "Fan-num" Hannum improved so much he was one of the eight boys to dress for the state tourney and when Jim Negri was put out of the game via the

personal foul route in the second quarter of the Miami game in the semi-finals of the championship bracket, Hannum subbed. "Foozy" Hunter also was one of the eight picked to make the journey to Tucson for the state meet. Along with these boys was Charles Jorgenson. Ledesma, Young, and McKay also suited out for the Southern conference. Most of the boys in the second team and Reserves this year have two more years of High School basketball. Hunter, Gaytan, McKay, Hannum, and Kenny have one more year. The three high point men for the Pups were Jorgenson with 46, McKay in a close second with 43 points, and Hannum with 36 points.

Jones, McKay, Gutierrez, Gaytan.
Chavez, Corley, Kenny

'41 THINCLADS NOT UP TO PAR

The local thinclads finished one of their poorest seasons in the history of the sport in D.H.S. Some promising material was developed throughout the season, but most of it needs another year of extensive training. The boys failed to place in a single event in the state meet and failed to win any of the meets they held in their own oval.

For next year, coach Morse can see promise in Hector Rochin in the 440 and brother Mario in the hurdles. Joe Salgado is a comer in the dashes. Robert Dodds has lots of stamina and will be to watch in the 440. In the mile, Sam Morales, winner of the intra-mural Cross Country Run, and

Hector Cota look like sure winners. Bill Vincent, a point winner in the half mile this year, should be better next with a year's experience. In the weights, Lew Young and Bill Cowan look promising. Both boys show form this year. Joe Jones will specialize in the hurdles and dashes and in the pole vault event will be Bill Whisnant and Jim Hoffman. Vincente Vigil will be D. H. S.'s hopes in the javelin. The schedule of meets next year will be approximately the same as this.

Coach Morse opened the 1941 track season with three returning lettermen. After a few days of limbering up, the tracksters went into extensive training to condition themselves for the coming meets.

The cinder beaters started off the season against the local Y. M. C. A. This is an annual event of the high school. This meet enables Coach Morse to see the rough spots and watch his boys in action. The "Y" team was composed of last year's track team and many other alumni of D. H. S.

After a brilliant performance the "Y" team came out on top with a score of 64 to 75.

In the dual meet with Bisbee, May the fifth, the Pumas beat the Bulldogs by a score of 79 2-3 to 42 1-3. In this meet the

Salgado placed third in the 100 yard dash, Bob Negri and Hector Rochin placed second and third respectively in the 220 yard dash. In the mile run, Douglas was able to capture 8 points when Cota, Romero, and Morales placed in the mile. In the 440 yard dash, Bob Negri and Robert Dodds placed. Joe Salgado and Lew Young were able to place in the 220 yard dash. Jim Negri placed third in the 220 yard low hurdles, while in the 880 yard run Bill Vincent and Hector Cota captured some points. James Hoffman and Bill Whisenant placed in the pole vault. Lew Young placed first in the shot put, Louis Laux fourth in the high jump, Bill Cowan, second in the discus, Lew Young and Vincente Vigil, placed in the javelin throw, Joe Jones third in the broad jump, and D. H. S. was second in the relay.

The following week the Bulldogs held their

In the class C group Benson, Arizona Deaf, Tombstone and Willcox were pounding the cinders for high honors. Benson came out winners with 60 1-2 points, Tombstone second 32, and Willcox 15 and Arizona Deaf 16½.

Joe Salgado captured the first point by placing last in the 100 yard dash. Negri again earned five points when he won the 120 high hurdles, Cota placed in the mile, Rochin placed in the 440 yard run, and also in the 220 yard run, Negri was second in the 200 yard low hurdles, Laux in the high jump,

annual invitational meet and were host to four teams, Bisbee, Nogales, Tombstone and Benson. In this meet the Bulldog tracksters were able to cop 18 points. Nogales was first with 53 points, Bisbee 40, Benson 22 Douglas 18 and Tombstone 10.

Negri tied for first place and captured four points for his team in the high hurdles, Cota was fourth in the mile, Dodds and Rochin placed in the 440, Negri won the 220 yard low hurdles, Vincent placed in the 880, and Laux in the javelin throw to total up 18 points.

Seven boys, Negri, H. Rochin, M. Rochin, R. Romero, Laux, Cota, and Salgado, took part in the State Meet held in Tucson. The boys gave all they had, but all in vain. In the Class A group Tucson was first, Phoenix second, North Phoenix third, and Mesa fourth. In the Class B, Bisbee, Winslow, Nogales, and Globe. In the Class C, Phoenix Colored, Benson, Wickenburg, and Round Valley.

SLIDE, KELLY, SLIDE! - 'DOGS SCORE

• Lievanos tags out a Bisbeeite going into third.

For the third successive season the Bulldogs took the field for baseball — a sport gradually coming into its own at D.H.S. A win over Tombstone 8-6 in the opener set the stage for what promised to be a successful season, but one which ended with about a .500 average. The Dawgs, with a snappy infield, mediocre outer garden, were weak with the willow. After their triumph over Tombstone, the Bisbee Pumas took two games. The first was a 6-5 event, but in the next, the Pumas fielded well for a 6-1 win. Tucson came through with a 9-2 count in a game that saw the Morrowmen throw away everything, but their gloves. Out-field errors gave the Badgers at

least 6 of their runs. Each of these crossed home plate after the Dawgs had retired the first two men in order.

Morenci took the Morrowmen in a 4 to 1 encounter that saw good fielding by both teams. After this game the Bulldogs came through for their only win over Bisbee. The 'Dawgs took a 3 - 2 game coming through in the 8th inning. Bisbee took advantage of Douglas's errors in the fourth game winning by a 12 to 6 score.

At this writing, the Douglas Horsehiders had several games still scheduled. They were to play the House of David team, and Tucson, then enter the city league for summer play.

RIFLE SQUAD ENDS ACTIVE YEAR

Coach Bob Johnston

The Douglas high school snipers opened their '40 '41 season under the direction of Coach Bob Johnston and with three returning lettermen. They started the season boys came out and he had a rep- with only a few shooters but more resentative s q u a d. The snipers started off slow and finished up with a team score of 13,673. Fred Churchyard was high point man with a score of 3,528, and he participated in 13 matches. He was followed by Jim Hoffman and Jack Salter.

The local snipers fired one individual match with Tombstone. The rest of their matches were fired by mail. In nearly all their matches they fired prone, sitting, and offhand. Only nine boys participated in the State Rifle match-

The Douglas snipers had 14 matches in the State Rifle Association, one against Tombstone and three with Prescott. In the State match they won three and lost eleven. Tucson was the only other high school entered in the state match, the rest of the matches were against the U. of A. or Civilian mens teams. The Bulldog snipers beat the U. of A. frosh both matches, but were beaten by the varsity.

3. A group of fellow students watch a softball game with much enthusiasm. Softball proved much amusement for the boys.

4. Last but not least the Basketball champs. This is a Sophomore home room, nice going boys.

G.A.A. IS ACTIVE IN THIRD YEAR

Miss Edith Moore

The G. A. A. enjoyed a full and successful year. This is the third year of its existence and each year it grows more active. There are approximately one hundred members in the organization, each of whom pay twenty cents dues for the entire school year. To create interest in the group, pins and letters are awarded. It is necessary to earn 200 points for a pin and 400 points for a letter. These points are earned by participation in sport events after school, hikes, play day, et cetera.

The officers of the club for the year 1940-1941 are Dorothy Dillard-president, Lila Stott -secretary, and Jean Howe-treasurer. Miss Edith Moore serves as advisor for the club. Miss Moore is the girl's physical ed

director and has been in Douglas high four years. She started the G. A. A. and also introduced tumbling to the girl's activities.

This year Play Day was the big event for the G. A. A. It was held April 19 here in Douglas. Eight schools sent girls to participate in the all day activities.

Alicia Lugo headed the committee on games and she selected several girls from the G. A. A. to act as team captains for the various games. Girls from visiting schools were placed on various teams for competition. The winning team was captained by Elizabeth Hannum and Miriam Churchyard with Alicia Lugo's and Lupe Garcia's team second. Naoma Haynie's and Pee Wee Martin's team re-

ceived honorable mention.

The entire day was spent in playing such games as aerial darts, softball, badminton, volleyball, shuffleboard, horseshoes, etc. The presentation of awards ended the day.

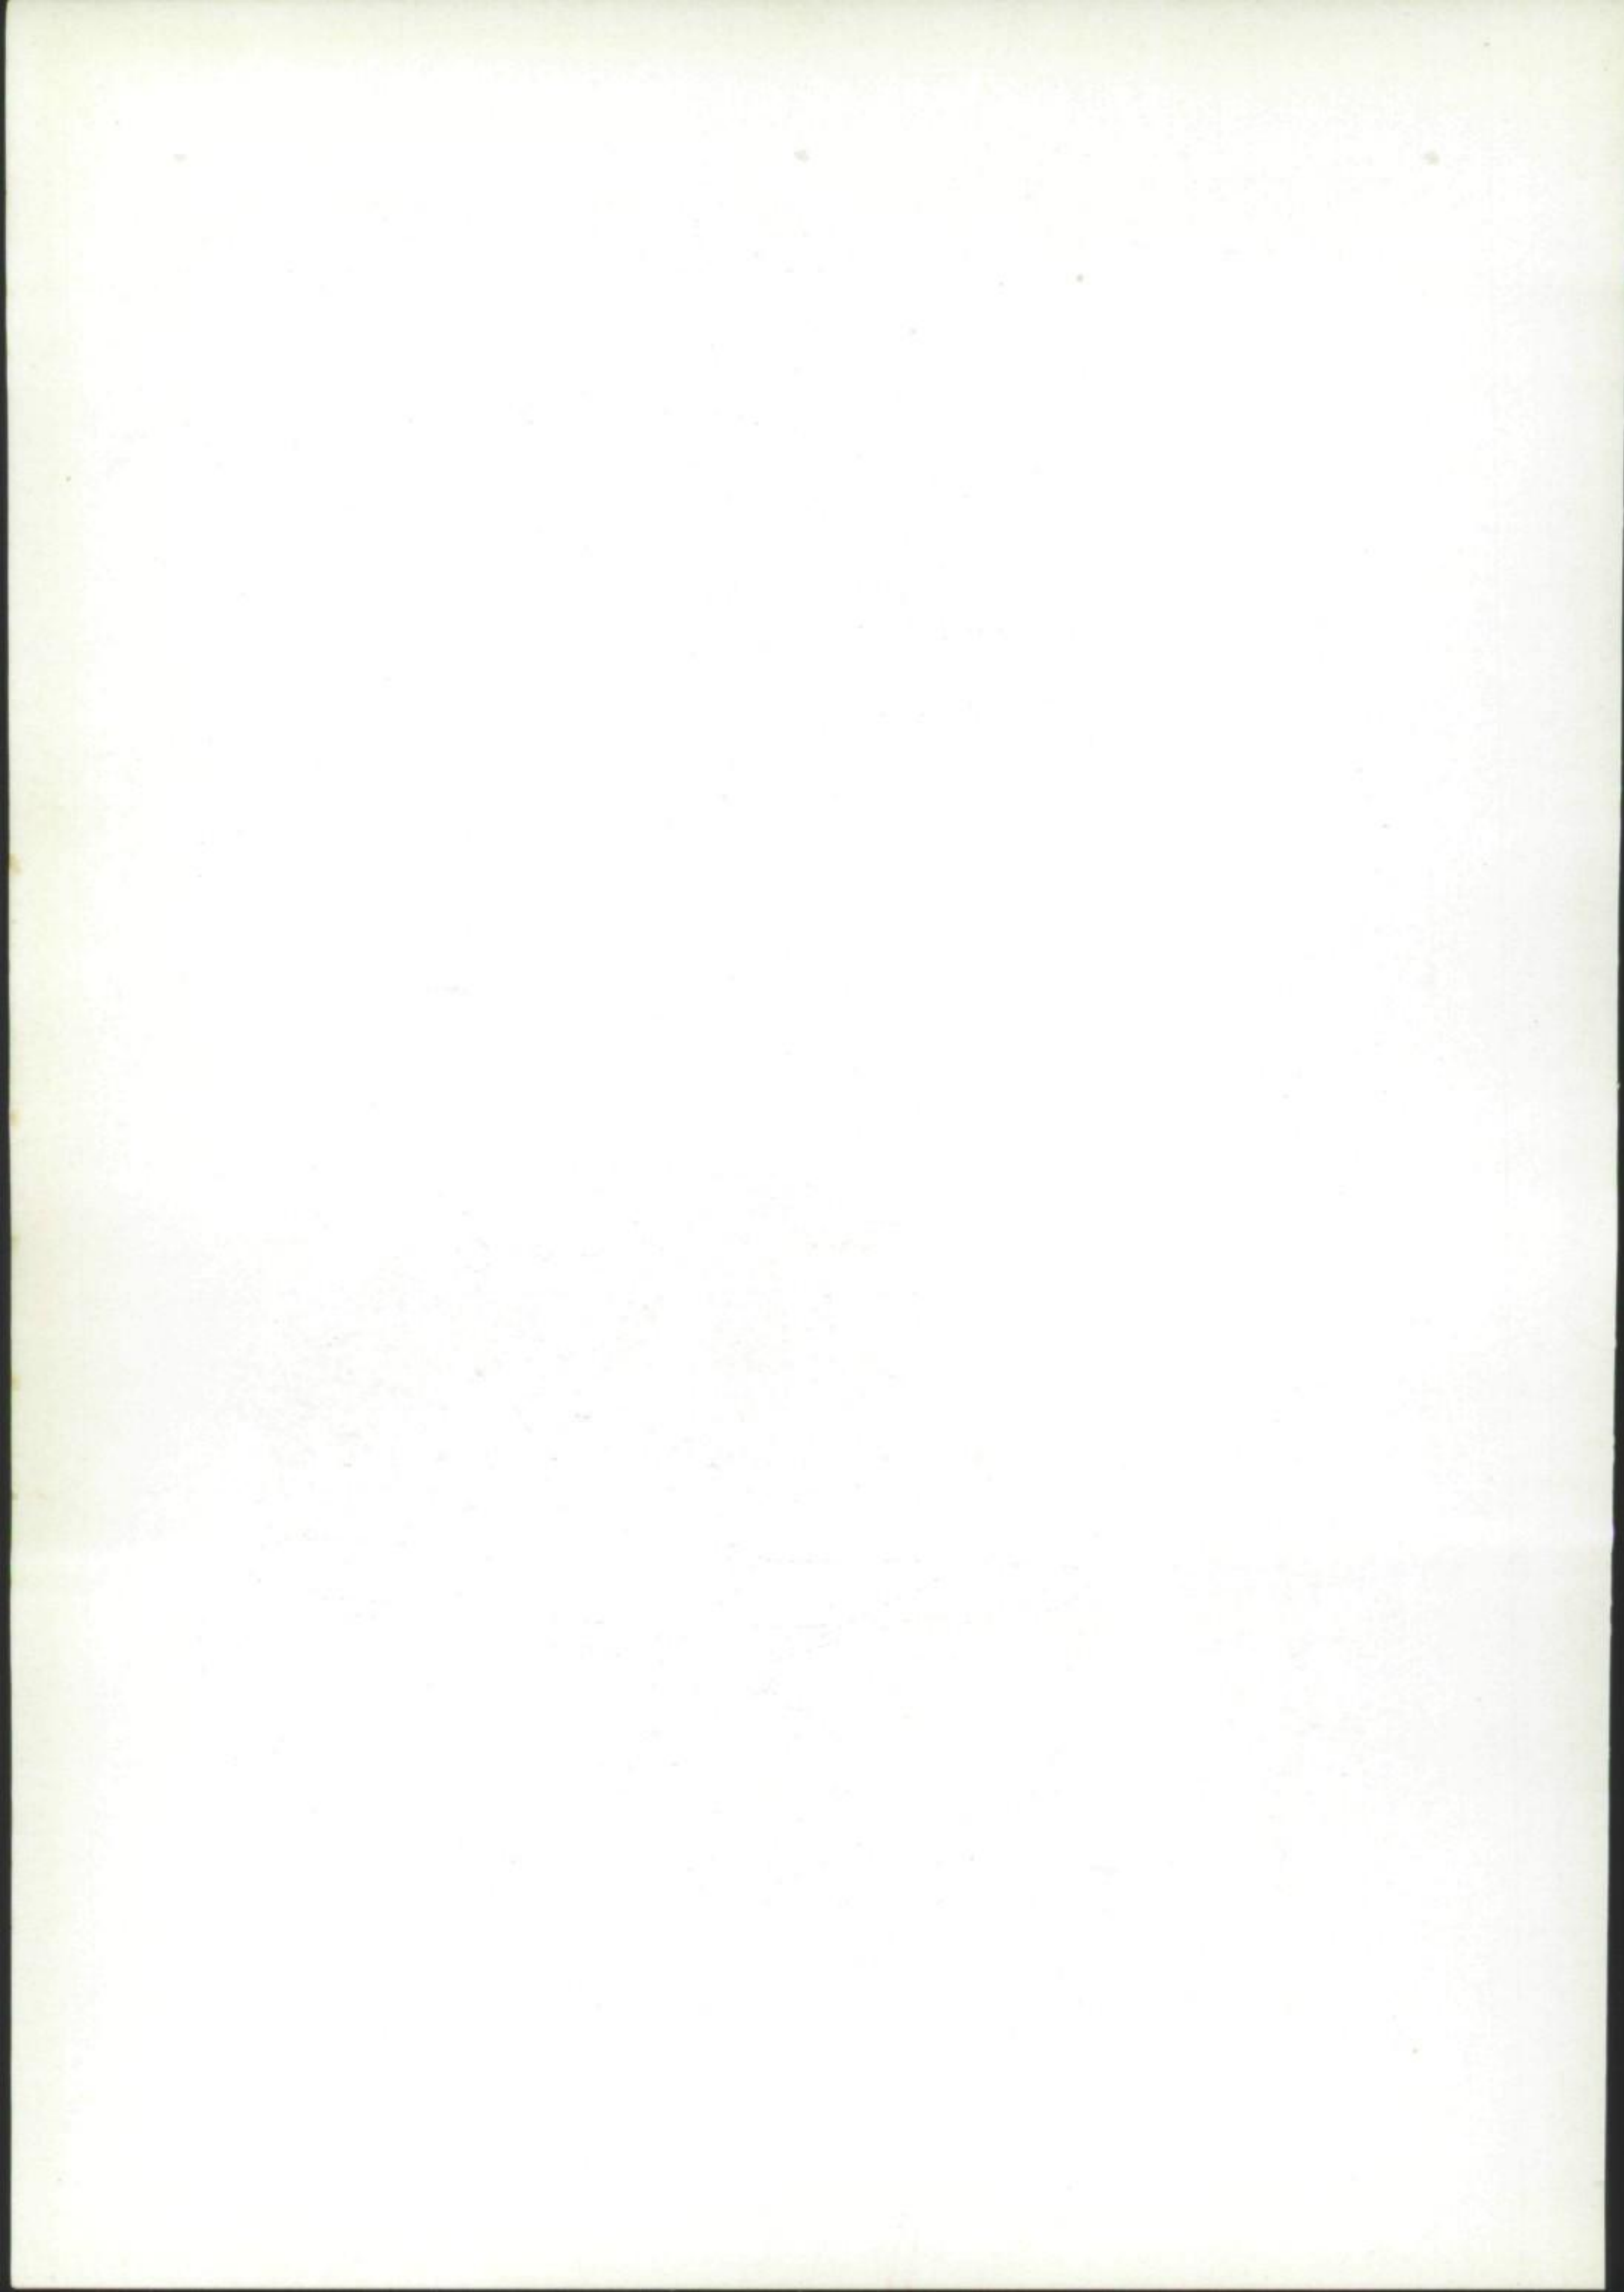

During the events of Play Day a posture contest was held in which several Douglas girls placed. Jean Howe was fourth, Norma Rodriguez sixth, and Lupe Garcia tenth, in this contest.

In the G. A. A. softball tournament four teams were formed under four members of the regular girls softball team; namely, Veda Huish, Alicia Lugo, Lupe Garcia, and Naoma Haynie.

The teams played a round robin series with much spirit shown in every game.

DOUGLAS BULLDOGS . .

1. **Joe Salgado**—This was Joe's first year on the football squad. Jumpin' Joe has one more year, for football, and one for track.

2. **Amado Guterrez**—Chief is the star twirler for the baseball nine. This is his second year with the club. He is also out for football and basketball.

3. **Ralph Bigelow**—Moach was elected Captain of the '40 Bulldog squad had was one of the year's most valuable players. He held down the guard slot for two years making letters both seasons.

4. **Ted Bloodworth**— This was Ted's second and last year as Bulldog guard. He made two letters in football.

5. **Max Haynie**—Cracky's first year on the first squad. He has one more year left in D. H. S. He plays tackle for the Bulldogs.

6. **Mario Rochin**—Mario is just a junior and is making a good name for himself. He is out for football, track, and basketball.

7. **Joe Jones**—This year Joe made his letter in football, basketball, baseball and track. Joe has two more years left to play.

8. **Louis Laux**—This is the first year Louis has gone out for athletics in high school and he lettered in football and track.

9. Jim Negri—The sparkplug for the Bulldogs. He lettered in football for three years, track, baseball, and basketball. He was chosen all state and all conference player in basketball and made all conference football teams.

10. Lew Young—Lew was a sophomore this year on the first eleven. He is a valuable player in the backfield and a good man in track.

11. Ted Huish—Spot was a new man this year and he turned out to be good one. He lettered in both basketball and football.

12. Lon Pollard—This was Lon's third year with the Bulldogs. He earned letters in football, track, and basketball. He played end for the Golden Avalanche.

13. Jim Haythornwhite—Pinhead has been playing stellar ball for

the Bulldogs for two years and has one more left. Jim holds down the center of the line.

14. Bob Corley—This was Bob's first year on the squad. He has two more years ahead of him. Bob also plays basketball.

15. Albert Stimac—Chick has been on the first five in basketball for three years. A real player and the team will miss him next year.

16. Eugene Hill—Gene is only a junior and already has a berth on next years first eleven. He played stellar ball last year and he should be a two year letterman.

1. **Raul Romero**—A member of the track squad and is making his letter this year

2. **Richard Thomasson**—Richard is a member of the rifle club. He lettered in baseball last year

3. **Gene Hunter**—Gene takes part in all school sports, majoring in baseball, football, and basketball

4. **Sam Morales**—A freshman who broke into headlines by winning the Intramural Cross-Country run. Sam wasn't slated to win. He is an up and coming miler for D. H. S.

5. **Bill Vincent**—Billy is another up and coming track star. This is his first year and he is making a name for himself.

6. **Bill Cowan**—Bill had lots of push this year, that is, with the shot. He looked good with the discus, also, and won points for D.H.S.

7. **Tony Morales**—The one who will probably fill Negri's shoes. Tony is a soph with a couple of years left for D. H. S. Tony lettered in all three sports last year and also this year.

8. **Luis McKay**—A junior with one more to go. Luis majored in football and baseball, he also takes part in basketball. He plays full-back for the eleven and catches for the ball club.

9. King Kenny—This is King's first year with the Bulldogs and he lettered in football. King took an active part in basketball.

10. Jim Hoffman — Jim's place is with the snipers of D.H.S. Jim lettered in rifle this year. He also takes an active part in track.

11. Albert Jordan—Beto shines at second base for the ball club and has held that post for two years, making a letter both times. He also goes out for football and basketball.

12. Robert Aguilar — Another baseball player. He holds down left field. Robert is a two year letterman in baseball.

13. Luis Lievanos—Strong takes an active part in football and bas-

ketball, but his main game is baseball. He has lettered for two years in baseball.

14. Tony Romero—This was Tony's first year on the first eleven and he still has a couple left. This is the only sport Tony takes part in.

15. Hector Cota—A sophomore this year with still a couple to go. Hector lettered in basketball, baseball and track.

16. Fred Hannum—He has been a hurler for the ball club two years making a letter both years. Fred shows promise in basketball and football.

Dorothy Dillard earned her pin in G. A. A. a year ago. She also earned a letter award for her G. A. A. activities.

Naoma Haynie has earned a letter this year. She has taken an active part in all G. A. A. work, especially in softball.

Veda Huish has also earned a letter this year for G. A. A. work. She has been taking an active part in all its events.

Alicia Lugo is already a possessor of a letter award. She has been in all G. A. A. programs and has excellent sportsmanship traits.

Today, airplanes are blazing the trail from coast to coast. The first coast to coast flight was made in 1918, when the United States Post Office Department started the mail service from New York to Los Angeles. It took two days to make this run and today it is made in 20 hours. Howard Hughes set the new record in 1938 by flying from coast to coast in 17 hours 18 minutes. In the days to come, the air liners will be making these runs in just a few hours from Los Angeles to New York because of the new airplanes that they are building for the Stratosphere flights. More airlines are being developed throughout the United States.

Altitude has won its fame in the field of aviation and will continue to in years to come. One of the first attempts for an altitude record was made by Wiley Post in 1934. He reached a height of 43,165 feet. A year passed and many attempts were made for better records. In 1935 Captain Stevens and Anderson broke all records by reaching an altitude of 72,395 feet which is about 13.71 miles high. With these attempts, the airlines have been aided. Men know the conditions in the Stratosphere and how these conditions must be conquered in the high altitudes.

BORDER BULLDOG ★

• Editor and printer Carl Swanson setting copy for his weekly paper.

• Lewis Boyle, co-editor with the one above, copy reads his reporter's story.

The Border Bulldog, weekly newspaper of Douglas High School, started publication this school year September 27th and continued throughout the entire year. These four page, five column papers were issued each Friday and on several occasions six, ten, and twelve page papers were printed.

The staffs, both editorial and mechanical, take pride in their tournament specials which were issued during the Southern Conference basketball tournament. The regular issue of the paper was published Friday afternoon carrying all tournament news to

date. On Saturday morning an early edition was printed and then again Saturday night a late edition. All papers were eight pages and they made a hit with the basketball fans and visiting players.

Another issue the staffs take a bow for is the Rodeo edition which carried rodeo pictures throughout its ten pages. This issue 500 extra copies were printed and mailed out by the Chamber of Commerce. Another issue of sixteen pages is planned for publication May 23rd, the closing date of school.

WEEKLY NEWS

Perhaps no greater tribute can be given to the Bulldog staffs than the one in this excerpt from a letter from the Chamber of Commerce. " . . . We have noted the improvements in each succeeding issue and have taken advantage of every opportunity to bring this excellent paper to the attention of visitors from other cities and states. We were especially gratified recently when two advertising men from California to whom we gave a copy of your paper were very generous in their praise of its makeup, the effective use of color, and the all-around excellence of your school paper."

MASK & DAGGER ★

The Mask and Dagger Club is the new dramatics organization that was formed this year. The club went to work immediately and made each meeting different and interesting enough to hold the attention of a large percent of the members throughout the year. Frances Smalley held the office of chairman, and she was assisted by Donald Cuppe as secretary and Bob Nash as treasurer. These officers with the help of Miss Mildred Dailey succeeded in producing some of the finest dramatic work known in D. H. S. Their first public perform-

ance was a skit assembly for the "D" Club on "D" Day. They presented a one act play called "Little Red Riding Hood Up to Date." It proved to be such a hit, that the visiting team wrote and requested a copy.

The major production was a three act play, "Almost Eighteen" produced for the benefit of the Senior Class. The club took part in the Hi-Jinx by sponsoring a Minstrel Show. From club funds and profits, they have purchased a library of twenty-five one act plays for reference.

P. E. P. CLUB

The Douglas Girl Reserves better known as the P. E. P. started on its way shortly after the doors of good old D. H. S. were opened in September. Concessions took place at all our home football games for the cold and tired rooters. Early fall brought about the Mother-Daughter Banquet and the annual Parent Teacher Tea. Christmas soon rolled around and this season not only brought happiness to all who attended the the annual Christmas Formal but also to the poor who were remembered by the P. E. P. girls by baskets of food, toys for the children, and caroling Xmas Eve. The New Year came in with a bang. The girls took an ac-

tive interest in the selling of pop, candy, and hotdogs during the Southern Conference Basketball Tournament. In the first part of February many of the girls enjoyed the Tri-State Conference at Phoenix. This year the Hi-Y and the P. E. P. had joint meetings which are still the most popular meetings of the year. Spring came in like a lamb this year with not much in store for the members except in initiation and the first joint formal recognition of all the clubs the "Y" have ever had. The P. E. P. girls took an active part in the Red Cross in their "Bundles for Brittain" project. The year was then closed with a Spring 'Formal.

FR. GIRL RES.

Members of the junior P.E.P., consisting of freshmen girls only, finished their third year of existence with a completed project of more serious nature than ever undertaken by them before. During the first semester, many of the club members attended handicraft classes where they worked with metal and wood. But more popular was the knitting for British War Relief that they worked on this year. Although no one was required to, nearly every girl in the club volunteered to knit at least one muffler. The F. G. R. sent also as many delegates to the Girl Reserve Convention in Phoenix as did their big sisters, the P. E. P. The year's financial sys-

tem was taken care of through the dues of the members, and two food sales. The girls held no parties or dances this year, but twice each month, they had a guest speaker and refreshments at their meetings. A picnic was planned for their last meeting.

Officers the first semester were Mary Kimble, president; Ruth Miller, vice president; Madeline Williams, secretary; and Mary Beth Nelson, treasurer.

In charge second semester were Lois Warnock, president; Susan Carpenter, vice president; Betty Oft, secretary; and Janet Spencer, treasurer.

Mrs. Fritz was advisor to the club.

BLUE TRIANGLE

Launching the club year for a good start was the boast of having the largest membership ever attained in recent years. Meetings were held weekly to facilitate closer cooperation among the club members. The organization's first success was their participation in the program at the Mother-Daughter banquet, with the president presenting a speech. Charity work, which is truly a worthy undertaking, captured the club's chief interest; and most of the work during the year has been along that line. The Mexican sisters were very grateful for their Thanksgiving contribution, as were the boy-scouts, the "Y", and poor families throughout the city. However, the biggest success during the year was the Christmas party, with Santa Claus, toys, and all the goodies,

that delight a group of children. The members have been only too eager to contribute their share in what has come along. International good-will has been strived for between it and the other Y organizations, following the wide-spread policy of friendly "American" relationships. A taco booth was the financial undertaking at the Hi-Jinx Carnival. At the Phoenix Girl Reserve Conference we were well represented, the club paying the way of the representatives. We will also have a part in the Girl Reserve Rodeo Float, with the president representing the group. Ending the busy year's activities will be the camping weekend held in Cave Creek in the early part of June.

HI-Y CLUB

The Hi -Y Club carried on its usual campaign of helping city betterment this year. This branch of the Y. M. C. A. provides recreation and a serious side of thought for the boys of high school age, and the work they do is often beneficial to the city. For the last three years they have been carrying on a campaign to rid Douglas of obscene literature. Another club project which all children look forward to each fall is the Hallowe'en parade. Anyone is allowed to enter the parade which proceeds up G Avenue to the "Y" where everyone is taken to the gym to see a picture show. Many prizes are awarded for the various costumes. The boys always work hard on this project and they carried it off this year with great success.

One of the high lights of the year was

the conference held in Albuquerque, New Mexico. The boys managed to send as many members as could go paying the registration fees out of club funds. They took part in the Hi-Jinx Carnival by sponsoring a booth. They also raised money by selling megaphones and school colors at football games.

The social season of the Hi-Y was not neglected, either. All through the year the P.E.P. girls and the Hi-Y boys held joint meetings. The climaxing meet was a joint one among the Douglas girls and boys and Bisbee clubs.

Officers first semester were: Jim Negri, president; Bob Nash, vice-president; Jim Bickerstaff, secretary; Jeff Grisham, treasurer. Officers second semester were Jim Haythornwhite, president.

ORCHESTRA

The orchestra is the only noon hour class this year. The members meet for a half hour each home room period. The entire group meets on Mondays, Thursdays, and Fridays. On Tuesdays, there is individual practice for the wind instruments, and practice for the strings on Wednesday. The activities of the Orchestra so far this year have included playing Christmas music for the benefit of the County Hospital inmates, taking part in the orchestra at the Southern Arizona Music Festival, presenting a con-

cert with the band, and playing before the civic meetings. They have also appeared during school plays.

The roster included: L. Arguijo, B. Barnum, E. Brown, J. Clemens, R. Huish, S. Jackson, C. Jorgenson, B. Kelly, K. Kluttz, M. Martin, E. Moorehead, B. Reynard, M. Stark, H. White, E. Brown, E. Cartwright, G. Gaytan, J. Glass, F. Godoy, B. Ivey, A. Montelongo, G. Hoopman, R. Moreno, A. Palmer, G. Stocks, and Carl Swanson. The director is Otto L. Utke.

- The orchestra seated in concert arrangement on the stage in the high school auditorium during a home room period. The group gave several selections from this stage during the concert that was presented during the spring just prior to the Southern Arizona Music Festival in Tucson.

N. H. S.

Not until the second semester did the National Honor Society begin its activities. At the end of the first semester the new senior and junior members were announced. Membership in this organization is limited to those students who have a scholarship rating that places them in the upper one third of their class. Each student with this qualification is then graded on a basis of service, leadership, and character. The high school faculty determines who is worthy of membership in the National Honor Society.

The first meeting of the year was dedicated to the election of officers, deciding the regular meeting night, and other details. The club decided to adopt the practice that was used last year — meetings

once a week, alternating on Mondays and Thursdays. Each meeting would be in the hands of two members whose duty it was to prepare a program and serve refreshments.

The Society stepped into action as soon as it began to function. They sponsored a booth at the Hi - Jinx carnival, and have assisted in all school activities. The club decided to sponsor a picnic for the members, in place of the banquet that is customary for this organization to have.

Officers this year were:

President	. . .	Ted Bloodworth
Vice Pres.	. . .	Frances Smalley
Secretary	. . .	Katherine Kluttz
Treasurer	. . .	Louise Kaiser

"D" CLUB

The letterman's club called their first meeting early in the fall to elect officers and begin plans for the painting of the "D" east of Douglas. On October 25th they rounded up the class of Freshman boys and gave the "D" a fine coat of white wash. That night from the athletic field where the Bulldogs earned a hard fought traditional "D" day victory from the Las Cruces Bulldogs, the burning "D" showed up very effectively. The day's activities were ended by a dance, following the game. During the Southern Conference Basketball Tournament at Douglas, the members of the "D"

Club acted as hosts to the visiting teams. Activities ended with their annual assembly and initiation day.

The officers chosen to act throughout the year are Jim Negri - President, Jim Haythornwhite - Vice President, Bob Nash - Secretary, and Joaquin Garcia - Treasurer. Coach Milton B. Morse acts as official advisor for the club.

The club did not sponsor a concession in the Hi Jinx Carnival which was given by the seniors, but they donated \$7.50 which was the fee charged for each of the concessions.

JR. MUSIC CLUB

The Jr. Music Club was organized to promote an interest in all kinds of music among high school students four years ago. Proof that these girls have succeeded in their objective consists in the waiting list of prospective members. The club program this year has been to study American folk music. Under the direction of the program chairman, Margot Sammarcelli, first semester, and Sally Darnell, the second, each program was dedicated to some phase of American music. Christmas time came and the girls were hostesses to a group of boys interested in music. The changing of music teachers between semesters left the club without an advisor. Mrs. Borcharding kindly consented to accept the sponsorship of the club along with her other duties. For the first time in their history, Jr. Music

Club sponsored a booth at the Hi Jinx Carnival. The April meeting was one of the most enjoyable ones of the year. It was dedicated to the thoroughly American "popular" music. The program was presented to the club members and their guests in the natural setting of nearby picnic grounds. The club also assisted the Sr. Music Club in their efforts to make the citizens of Douglas more interested in serious music. Their final meeting of the year was a tea to which the mothers of the club members were invited.

The officers of the club are: President, Martha Yelverton; Vice President, Frances Smalley; Sec. Tres., Edith Borcharding; Scrap Book Editors: Janice Brittain and Mary Jane Carter.

GIRL'S GLEE CLUB ★

The Girl's Glee Club, under the direction of Miss Fredlin and later Mrs. Borcharding, sang at assemblies, for civic organizations, and at the Southern Arizona Music Festival which was held for the second successive year in Tucson. This choral group composed the major portion of the choir that sang the Christmas Cantata in the high school auditorium December 15th. The Cantata is now almost a traditional part of the Yuletide celebration in Douglas. It always portrays the nativity, and yet each year it is different and beautiful. It is produced on the high school stage, with colorful and picturesque costumes, and beautiful lighting effects. The Glee Clubs early in the first semester began to learn the character-

istic hymns and carols that tell the story that the tableaux portrays.

Next on the list of the Glee Club's activities is the spring Music Festival which all schools in Southern Arizona are invited to take part in. In former years, each city has played host to the festival. For the past two years, however, all schools have gathered in Tucson, to hold the musical at the University of Arizona.

To wind up the years activities, the Choral Department combined to present a Spring Music Hour. It was held this year on May 8th. The Girl's Glee Club presented four numbers of their own, and five numbers sung with the Boy's Chorus.

BOYS' GLEE CLUB

The Boys' Glee Club met this year at a regular class period rather than during the noon hour as in the past couple of years. The third period in the school day was used for meeting time. This proved to be a much more efficient method and the enrollment was more satisfactory than in the past.

Most of the boys in the group sang with the choir in the Christmas Cantata that was given December 15th in the high school auditorium. The Cantata was elaborately staged and the male voices added greatly to the musical numbers.

The boys quartet was composed of John Hall, Leonard Kimble, Randall Lowery and Robert Johnson. They vocalized with Mary

Jane Carter, Betty Kimble, Margot Sammarcelli, and Nancy Silverman to form a mixed quartet. This mixed group sang at several school assemblies and for civic organizations in the city.

At this writing it was planned to enter several numbers in the Gila Junior College contest held in May. Both boys and girls groups will possibly be entered this year.

Miss Fredlin directed the Boys Glee Club during the major portion of the school year and until she married and resigned her duties here. Mrs. Henry Borchering replaced Miss Fredlin and directed the club throughout the remainder of the year.

Nancy Silverman was the accompanist for the club.
